

ORCHARD PARK HIGH SCHOOL

STUDENT ACTIVITIES HANDBOOK

A GUIDE TO CO-CURRICULAR CLUBS AND ORGANIZATIONS
2025-2026

4040 BAKER ROAD
ORCHARD PARK, NEW YORK 14127

The purpose of this handbook is to inform our students and their families about the co-curricular opportunities offered at our high school. Included are brief descriptions of clubs/organizations, when they meet, and the advisor(s). Students are encouraged to become involved in our Student Activities Program. These activities can add a great deal to their overall high school experience.

Club information is communicated to students through morning announcements and posters throughout the school. Any questions concerning a club or organization should be directed to the individual advisor(s) or the House one Principal.

NHS (National Honor Society)

Adviser: Mrs. Karalus

Tutor Adviser: Mr. Drake

Selection to the NHS is an honor, not a right. This honor is awarded by a faculty selection committee, which is endorsed by the principal and acts on behalf of the entire high school faculty. In the spring of each year, junior students with a five semester average of 90% or higher are notified of their initial eligibility. Students must be in attendance at Orchard Park High School for at least one full semester before the selection. Qualified students interested in being considered for membership are asked to fill out evaluation forms with information about themselves. These are given to four recommenders, two must be high school teachers with whom they are familiar. In addition, all faculty members are invited by the selection committee to make comments about eligible students. Students are selected for NHS membership by a majority vote of the five-member faculty selection committee. The following are the criteria for evaluation: **scholarship, service to school and community, leadership in school and community, and character**. This is a confidential process subject to only limited review. The NHS candidates agree to abide by the licit decisions of the selection committee. There is no quota. Inducted students are expected to be active in a peer-tutoring program sponsored by NHS and community service hours their senior year. Parents and students may request detailed copies of the national and local rules of the National Honor Society, as well as the faculty committee's selection criteria, from the appropriate House principal.

OP Impact

Adviser: Mrs. Grossman

This club is all about “impacting” the school and community in a positive manner. We are an all-inclusive and diverse group of students that want to make people smile. We promote random acts of kindness in and outside of school. Our goal is to inspire creativity, positivity, and gratefulness. The club meets twice a month to organize “fun”raisers, wellness activities, and school spirit events. We want to brighten the days of staff and students. If you are looking to have fun and impact people, this is the club for you. “We rise by lifting others” - *Robert Ingersoll*
