Entry 6 – Enrollment & Retention

Completed - Jul 31 2025

Instructions

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2024-2025 toward meeting targets to attract and retain the enrollment of students with disabilities (SWD), English language learners (ELL), and students who are economically disadvantaged (ED). In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2025-2026.

Entry 6 – Enrollment and Retention of Special Populations

Good Faith Efforts to Meet Recruitment Targets (Attract)

	Describe Recruitment Efforts in 2024-2025	Describe Recruitment Plans in 2025-2026
Students with Disabilities	As in past years, during student recruitment, the services that Amber provides for students with disabilities are publicized. Students that apply to Amber Charter School for admission to kindergarten through second grade who self-identify as having an Individualized Education Plan [IEP] are given the same opportunities for admittance as other students. Once these students are chosen in the lottery, they are asked to register. Of the 27 students registered for the incoming kindergarten classes for Amber Inwood , 2 were students with IEPs. Of the 7 students registered for first grade, none were students with an IEP for Amber Inwood. Of the 4 students registered for second grade, none were students with an IEP for Amber Inwood. Of the 7 students registered for third grade, none were students with an IEP for Amber Inwood. Of the 6 students registered for fourth grade, one was a student with an IEP for Amber Inwood.	During the student recruitment process, Amber Charter School continues to promote the services and accommodations provided to students with disabilities within the network. Out of the 55 students enrolled for the upcoming school year year, 13% have individualized education programs (IEPs).
English Language Learners	During student recruitment, the flyers and applications were translated into Spanish to attract this population to Amber. Recruitment ads were placed in the local newspapers, online platforms, and bus shelters in strategic locations. Posters in English and Spanish were distributed throughout the community to local businesses, churches, community offices, social media outlets, and daycares	During student recruitment, the flyers and applications were translated into Spanish to attract this population to Amber. A mailing with recruitment materials and applications was sent out to over 200 Head Start centers and daycare centers in Manhattan and the Bronx. Amber participated in charter school fairs to extend the reach to more families.
Economically Disadvantaged	Student recruitment efforts were focused on Amber's communities, which include East Harlem, the Bronx, and Washington Heights, all low-socioeconomic areas. Therefore, the majority of Amber's applications come from indigent families or those of low economic standing.	We will continue to focus our recruitment in low socioeconomic areas in communities which include East Harlem, the Bronx, and Washington Heights.

Good Faith Efforts To Meet Retention Targets

	Describe Retention Efforts in 2024-2025	Describe Retention Plans in 2025-2026
Students with Disabilities	Amber Inwood has 16% of its student population identified as students with disabilities, out of a total of 173 students in grades kindergarten to third. The breakdown per grades: Grade # students with IEP's KDG= 2 1st= 3 2nd = 10 3rd= 9 4th= 4 Amber Charter has a good history of retaining students with disabilities, as well as identifying new students that may need special services and accommodations and then acquiring those services. During the school year, for every benchmark assessment the progress of students with disabilities was monitored by administration, teachers and reported to the Board.	Amber will continue to serve all of its students with disabilities population and retain a high percentage. In addition, other students may be identified as in need of special services and accommodations, and these students and families will be ushered through the referral process by the Amber staff.
English Language Learners	In the student registration for 2024-2025, 7 students were identified from the Home Language Survey [HLS] as English Language Learners [ELLs]. Seven students were tested with New York State Identification Test for English Language Learners (NYSITELL). Amber Inwood has 18% of its student population identified as ELL's, 31 students in grades kindergarten to fourth grade. # ELL students	The ELLs will be provided with pullout ENL instruction as well as other intervention services as needed. Their progress will be monitored through their performance on benchmark and formative assessments. All efforts made during the 2023-24 program will also be introduced in the new school year.

	KDG= 5 1st= 7 2nd= 5 3rd= 6 4th= 8 Most Amber ELL students pass the NYSESLAT in second grade or before. There is a staff member assigned to oversee the assessment of ELLs and assignment to English as a New Language (ENL) instruction. Select faculty members are sent to outside professional development on teaching ELLs as part of the ELL Consortium. During every benchmark assessment, the progress of ELLs is monitored by administration and teachers and reported to the Board. During State testing, ELLs are given testing accommodations.	
Economically Disadvantaged	Student recruitment remains focused on the local communities of East Harlem, Washington Heights, Inwood, and Kingsbridge.	With 83 % of Amber Inwood's 2024-25 student population being free and reduced-lunch students, it is clear that Amber retains this student population.

Entry 7 – Employee Fingerprint Requirements Attestation

Completed - Jul 31 2025

Instructions

Required of ALL Charter Schools

Review and complete the Employee Fingerprint Requirements Attestation.

Entry 7 – Employee Fingerprint Requirements Attestation

A. TEACH System – Employee Clearance

Required of ALL Charter Schools

Charter schools MUST ensure that all prospective employees[1] receive clearance through the NYSED Office of School Personnel Review and Accountability (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers**. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee.

Please note that all schools should maintain an electronic or hard copy of the clearance certification pulled from TEACH and dated PRIOR to the employee's start date. Clearance certifications pulled from TEACH at a later date will show that the staff member was cleared as of that date and may result in a finding of clearance violations against the school.

[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers**. See NYSED memorandum dated October 1, 2019 at NYSED CSO Employee Clearance and Fingerprint Memo or visit the NYSED website at Who Must Be Fingerprinted Charts for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at NYSED CSO Employee Clearance and Fingerprint Memo.

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

Entry 9 – School Calendar

Completed - Jul 31 2025

Instructions

Required of ALL Charter Schools

Board of Regents-authorized charter schools are also required to submit **school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month**. **Schools must use a calendar format and ensure there is a monthly tally of instructional days**.
