

# MINI CUCUMBER

## DID YOU KNOW?

- Mini Cucumbers are cylindrical and small. The outer skin is dark green and may be spotted.
- Mini Cucumbers have a crisp, crunchy, cool texture with a mild flavor.
- A Cucumber is more than 95% water!
- Mini Cucumbers are an excellent source of vitamins K, A, C, and potassium.

## FUN FACT!

The word "pickle" comes from the Dutch word, *pekel*, which means brine or salt.
