Pleasant Hill Elementary School

Mission Statement: It is the goal of Pleasant Hill School District to maintain a safe and healthful school environment that depends upon the "safety consciousness" of school employees and students. Employees and students are reminded to be alert to safety and health hazards. They should be alert and aware of preventive measures to reduce hazards and be ready for problems and accidents with emergency actions to be used that are appropriate to the incident. Safety is everybody's responsibility.

V. WALK-AROUND PROBLEMS THAT ARE NOTICED:

1. A walk- through was conducted. It was noted that many of the fire extinguisher boxes do not have glass or covers, is this necessary? Emergency buttons in the staircases have been pushed lately. Is there a way to get covers on these that lift? That way they are still accessible but it may not be as easy to push them.
