

Congratulations
to Whopping
Acts of ROAR
recipient,
Rhyleigh, 4th
grade, nominated
by her teacher,
Ms. Barber.

Respectful - Rhyleigh is such a respectful young lady. Not only is she considerate to all of her classmates, but she is an engaged, focused learner. She is always respectful when talking to adults and peers.

Optimistic - Rhyleigh is optimistic in her work ethic. She has impressed me very much with her diligence in getting her work done every single day. She is tenacious and persevering, sticking with her task until she gets it.

Accountable - She is accountable for her work. She does not need reminders to turn in things or to do her best. She works hard to understand what expectations are so that she can achieve her best.

Responsible - Rhyleigh shows her responsibility, not just in school tasks, but also doing her classroom job to her best ability. She does not need reminders, which shows that she takes her responsibilities to heart.

"Rhyleigh is a sweet, caring student. I'm so proud to have her at BCA, and especially in my class," said Ms. Barber.
