# Bishop Dunne Advanced Band

**Scarlett Schwegmann '28**

“Bishop Dunne has helped me reach my potential in music by giving me so many opportunities, like performing at Carnegie Hall and auditioning for selective ensembles. Those experiences have really pushed me to get better.”

**Landon Franklin '29**

“Music and/or instruments have always been my way of escaping reality and entering a judgment-free space where I can express my emotions through music.”

**Ari Buck '26**

“I plan to pursue a degree in instrumental music education, hoping to share my experiences with music and inspire others through teaching and performance.”

**Sophia Reynolds '29**

“I’ve always felt a deep connection to music. It’s where I feel most alive and truly myself. Ever since I was little, I’ve been drawn to how music can bring people together, tell stories, and express emotions that words alone can’t.”
