Title I, Part A School Parent and Family Engagement Policy

All Title I schools will jointly develop a written parent and family engagement policy with input from and distribution to all parents and family members. This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements.

MetWest

agrees to implement the following engagement practices, in keeping with Oakland Unified School District's Standards for Meaningful Family Engagement:

OUSD Family Engagement Standard 1: Parent/Caregiver Education Program

Families are supported with parenting and child-rearing skills, understanding child and adolescent development, and setting home conditions that support children as students at each age and grade level.

The school provides parents with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children by:

- *The staff at MetWest are dedicated to providing quality instruction for the students.*
- *Rather than training students to follow a particular career path, the internship structure is designed to foster students' intellectual development through first-hand experience and to develop habits of initiative-taking in their education. Our students spend two days a week working with a mentor at an internship of their choosing, learning professional expectations, communicating effectively with adults from different backgrounds, and producing real world work.*
- *We will teach using the Common Core Standards .*
- *We will use the adopted curricula in ELA and Math for grades 9-12 in order to ensure we are aligned to the Common Core State Standards. We plan and implement a multi-disciplinary social justice curriculum. We build capacity as we share best practices and teaching dilemmas in a creative, collaborative, supportive environment.*
- *Students will take ExactPath diagnostic for ELA and Math 3 times a year to identify each student's current level of proficiency and provide targeted intervention and/or enrichment.*
- *Providing students immediate feedback on standards aligned assignments.*
- *We use authentic assessments (formative and summative) to assess student growth along with data from our diagnostics and SBAC. Students will be responsible for monitoring their own growth along with their teachers via their Individual Learning Plans.*

The school supports a partnership among staff, parents, and the community to improve student academic achievement and engage parents in meaningful interactions with the school by:

- *We host family meetings throughout the school year to provide opportunities for students to share their learning experience and progress updates. Family meetings are student-led. Parents work collaboratively with the student and their teacher to create goals for their individual learning plans (ILP) and to provide feedback. Our family meetings are our version of teacher parent conferences.*

OUSD Family Engagement Standard 2: Communication with Parents and Caregivers

Families and school staff engage in regular, two-way, meaningful communication about student learning.

The school communicates to families about the School Parent and Family Engagement Policy by:

- Convening an annual meeting, at a convenient time, to which all parents shall be invited and encouraged to attend, to inform parents of their school's participation in Title I, Part A and to explain the program requirements and the right of parents to be involved.

The school communicates to families about the school's Title I, Part A programs by:

- *Including summary of Title 1 meeting and activities in our newsletter which will be sent out via Parent Square.*

The school communicates to families about the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet by:

- *Holding parent workshops in Parent Academy on Interim Assessments, the SBAC testing, Reading inventory and the ELPAC.*
- *Holding optional parent observations of classes each fall and spring so that parents can be welcomed into classrooms and learn some of the lenses used to observe and give feedback to teachers on their practice.*
- *Hold family meetings each semester. Family meetings provide space for parents to hear about their students progress and it allows space for them to provide input and feedback.*

The school distributes information related to school and parent programs, meetings, school reports, and other activities to parents in a format and language that the parents understand by:

- *Sending information on Parent Square and when appropriate, through direct communication from advisors.*

OUSD Family Engagement Standard 3: Parent Volunteering Program

Families are actively involved as volunteers and audiences at the school or in other locations to support students and school programs.

The school provides opportunities for families to volunteer in classrooms and other school activities by:

- *Inviting families to take part in classroom observations*

- *Inviting families to Parent Academy workshops, all of which have translation offered*
- *Inviting families and parents to Beautification Day: Day highlighted to beautify our school garden.*

OUSD Family Engagement Standard 4: Learning at Home

Families are involved with their children in learning activities at home, including homework and other curriculum-linked activities and decisions.

The school provides parents with materials and training to help them work with their children to improve their children's achievement by:

- *Holding quarterly workshops via Parent Academy on a variety of topics that will support families in supporting their children.*

OUSD Family Engagement Standard 5: Shared Power and Decision Making

Families and school staff are equal partners in decisions that affect children and families and together inform, influence, and create policies, practices, and programs.

With the assistance of parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners by:

- *Involving parents in reviewing our Strategic Plan and offering MetWest feedback as to how to advance towards our academic and SEL goals for students*

The school provides opportunities for regular meetings with a flexible schedule that allows parents to participate in decisions relating to the education of their children by:

- *Weekly Parent Academy workshops and other after school workshops on specific, relevant topics.*
- *Family meetings held twice per year, scheduled around the family needs.*

The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I, Part A programs and the School Parent and Family Engagement Policy by:

- *Involving parents in reviewing our Strategic Plan and offering feedback as to how to advance towards our academic and SEL goals for students*

The school provides opportunities for the participation of all parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, by:

- *Offering families the opportunity to engage with the SELLS, SSC and Parent Academy, all of which are offered to families in their home language*

The school provides support for parent and family engagement activities requested by parents by:

- *Using Title 1 Parent funds for specific requested workshops and activities.*

OUSD Family Engagement Standard 6: Community Collaboration and Resources

Coordinate resources and services for families, students, and the school with businesses, agencies, and other groups, and provide services to the community.

The school coordinates and integrates the Title I, Part A parent and family engagement program with other programs and activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children by:

- *Using Title 1 Parent funds for specific requested workshops and activities.*

- *Providing translation into Spanish and Arabic of all family oriented meetings.*

If a Title I SchoolWide Plan is not satisfactory to parents, a parent can submit any comments on plan (SPSA) to the Strategic Resource Planning Office
