

Applying for Tuition Assistance 2026–2027 Academic Year

Welcome to the 2026–2027 Financial Aid season! We partner with School and Student Services (SSS) in our financial aid process. To apply for tuition assistance at Metairie Park Country Day, you will complete the SSS financial aid application (also referred to as the Parents' Financial Statement or PFS) and provide consent for the release of required tax documentation – all within the SSS Family Portal.

The SSS application is a comprehensive application that will take some time to complete. Give yourself the time you need by not waiting until the **January 30, 2026** deadline. You'll need your most recent tax return before beginning the application. The application along with additional resources can be found at <http://www.solutionsbysss.com/parents>.

The school will communicate your financial aid decision to you. To make our decision, we use the information from your SSS application as a starting point and consider our school policies, practices, and available budget.

How to complete your SSS Application online:

- Beginning November 1, 2025, go to the Family Portal at <https://sssandtadsfa.my.site.com/familyportal>
- Create your Family Portal account with your email address and a password. If you applied for tuition assistance last year, log into the Family Portal using your same email address and password.
- Complete your application for the 2026–2027 Academic Year. You can log out at any time and return later to finish it.
- This application process is greatly simplified if you provide consent through TaxStatus (Easy Apply).

- When all application sections are complete, the Submit & Pay button is activated. Follow prompts to the payment screen. The \$60 fee is nonrefundable. Once your application is submitted, it cannot be withdrawn from the SSS system.
- After you pay for and submit your application, you will see a prompt to share your tax information via direct IRS integration, rather than manually uploading your documents. Simply click **Get Started** to provide consent for your information to be shared.
- Follow the consent submission instructions as prompted. For a more detailed guide on the TaxStatus (Easy Apply) workflow, click [here](#).
- If you do not wish to provide consent for SSS to securely retrieve your tax transcripts directly from the IRS, please click **I would rather enter my tax data manually** and contact the financial aid office directly to discuss next steps.
