

Congratulations to Whopping Acts of ROAR Recipient, Henry, third grade, who was nominated by Ms. Randall.

"Henry displays **RESPECT** for others, for expectations and for materials. He matches his behavior to the appropriate time and place - recognizing when it's okay to be silly and when it's time to buckle down, do hard things and work.

He is **OPTIMISTIC** in his attitude. He is agreeable and encouraging to others (in class, at recess, in general!) as well as growing his own positive mindset.

He is **ACCOUNTABLE** for his words and actions. He regularly displays self-control and is a role model. He exemplifies leadership - others willingly listen to and follow his ideas. When he makes mistakes, he owns them and works it out!

Henry is also **RESPONSIBLE** for his thoughts, words and actions. He keeps up with his classwork and homework, follows through on directions and often jumps in to volunteer when needs arise.

"It is a joy to have Henry in class and to see him interact in a Christ-like manner with others - both adults and peers. Thank you, Henry, and keep it up," said Ms. Randall.
