ALBUQUERQUE AVIATION ACADEMY NEWSLETTER

NOVEMBER 13, 2025

## Congratulations!

Congratulations to Albuquerque Aviation Academy for once again being named a Spotlight School in the state of New Mexico. This recognition reflects the dedication and hard work of our students, staff, and families. Check out our state testing proficiency rates, growth rates, graduation rates, attendance rates, College and Career Readiness, and much more. Be sure to visit the District and School pages to learn more:

We're excited to announce that our annual **Holiday BINGO Night** is just around the corner! Your child's homeroom teacher will need help creating and assembling prize baskets—be sure to check with them to see how you can lend a hand.

If you own a business or would like to help us reach out to local businesses for prize donations, please let us know! More prizes mean more fun for everyone at the event.

### Missing Information?

If you didn't receive this newsletter on time or are just seeing it on our website, you might not be signed up for ParentSquare! Make sure you've downloaded the ParentSquare app, set your message delivery preferences, and stay connected so you never miss an important update again.

This week's progress goal is **82%** by end of the week.

A huge thank you to all the families, community members, legislators, Governing Council members, and students who joined us for our ribbon-cutting ceremony celebrating our new field! It was such a wonderful event and a special way to honor our beautiful campus. We are so grateful for your continued support and excitement as our school continues to grow and thrive.

## Semester Completion & Early Finish Information

As the first semester comes to a close, it's important that all students are on track to complete and pass all of their courses.

Starting **December 1st**, the view in Imagine Learning/Edgenuity will change from showing your Overall and Actual grades to displaying your **Relative Grade**. The Relative Grade is what will appear on report cards at the end of the semester. It includes zeros for any work not yet completed—even assignments still scheduled for December. **Grades will drop temporarily**, but as students reach 100% completion, the Overall, Actual, and Relative Grades will all be the same.

For students who are ahead in their courses, we are excited to offer the opportunity for an extended Winter Break starting as early as December 1st. To qualify, students must:

- Complete 100% of all Imagine Learning/Edgenuity courses with a minimum passing grade of 60%, and
- Coordinate with teachers of in-person electives (Aviation, PE, Smart Lab, Friday electives, etc.) to finish finals and submit any required projects early.

Students who meet these requirements must obtain signatures from all teachers on the Semester Check-Out Sheet. Once approved, they will be marked as Finished Early for attendance purposes. Please note that Finished Early does not negatively impact attendance rates.
