PSEO

Who Can Enroll?

Grades 10-12.

Grade 10 is Career and Technical Courses. Courses in Grade 10 do not substitute for CHS classes.

Grades 11-12 take classes to fulfill CHS grad requirements and general degree requirements for college.

What Colleges Offer PSEO?

Minnesota Department of Education has a list of eligible institutions. Website Link:
<https://education.mn.gov/MDE/dse/ccs/pseo/elig.1040787>

How do you earn credits?

4 college credits = 1 CHS credit For example a 4 credit English Composition class at Century College is equal to 1 CHS credit or World Literature 1 and 2.

PSEO

How do you pay for tuition and fees?

Tuition and books are paid by the state. If you don't return the books, you will be charged a fee.

What if I drop a PSEO class?

If a student drops a class after the first 10 days of the semester, you will receive a NC (F) on your CHS transcript.

Academic and social responsibilities that must be assumed by the student and their parent/guardians.

Centennial high school counselors can not communicate with college. This includes attendance, grades, services etc. This is the liability of the student.

PSEO

How does enrolling in PSEO affect your ability to complete high school requirements?

Students still need to take courses at the college to substitute for CHS classes. Sometimes, classes are not offered at the college or full. Example, If a student needs a 4-credit composition class to graduate and the college only offers a 3 credit

Will my PSEO credits transfer to a college?

It is the student and families responsibility to reach out to the college they plan to attend to see if the credit will transfer. You can also look at transferology.com

PSEO

We will have an informational meeting on January 26th at 6:30 pm in the PAC. Register for your classes like you will be at CHS as a fulltime student.

** However if you are thinking about doing PSEO please put as an alternate PSEO intention. **

916 at Century College

Variety of hands on courses. Listed on next few slides

Hours 4-6

You must register for both semesters (2 numbers)

Transportation is provided

You must be on track to graduate and have good attendance in order to be eligible
