FAQ's for using MackinVIA:

1. **How do I find the books?** Search from the East Elementary library catalog. The link will take you to the MackinVia site, where you will log in using the credentials above.

2. **Do I have to create my own login?** No, you can access all the titles by using the guest login information shown above.

3. **Can I create my own login?** Yes, you can. Use the guest login shown above to access our online catalog. Once you are logged in, click the "Log In" button in the upper right-hand corner of this page. Under the User ID and Password boxes, Select "Register" and use the same TCA network username and password that you use to log onto a computer at school.

4. **Do I need to checkout the eBooks or eAudio books in order to read or listen to them?** No. You can open, read/ listen to any of the titles in this catalog without checking them out. Once you close the title, your progress *will not be saved* if you are using the guest login for access.

5. **What is the difference between multi-user and single user?** Multi-user means more than one person can open the book at a time. Single user means only one person may open a book at a time. When you log out and close your web browser, the book will reset for the next person.
