He recognizes that the benefits and life lessons learned extend far beyond the stage, shaping well-rounded individuals with valuable communication, collaboration, and critical thinking skills as set forth by the director.

Adjudicator
Sherry Frank

Sherry Frank (she,her) is the recently retired Lead Theatre Director at Cypress Falls HS in Cy Fair ISD. A transplant to Texas Sherry has been completely assimilated into UIL OAP over the last 30 years and thoroughly enjoyed directing ALL of them. As an educator, it is her goal to instill a lifelong love of the arts in all the students she works with, even those she knows only for a day at a UIL competition. Sherry embraces all aspects of the theatrical process and focuses on positive, specific, and constructive feedback. By using thoughtful questioning and applying her knowledge of directing, acting, and technical creation she hopes to make each critique a learning and growing opportunity. Sherry, nominated by her students, was inducted into the Texas Thespians Hall of Fame in 2019 for her volunteer work, leadership, and expertise. Her extensive work as a set designer with The Ensemble Theatre in Houston for their Young People's Summer Program and several mainstage shows earned her 2 nominations and a Gorgee Award for Best Set Design. The energy, spirit, and connection present in the theatre and in young people brings her joy!
