School-Parent/Family Compact For Achievement 2025 - 2026

What is a School—Parent / Family Compact?
A School—Parent / Family Compact for Achievement is an agreement in which parents, students and teachers acknowledge shared responsibility for student learning.

Thank you for joining us this year as we work to provide the best education for your child!!
Evidence shows that when YOU are involved in the education of your child and give him / her the support necessary to make good decisions about progress made at school, he / she will be more successful, perform better on assessments, and go on to higher education.

As Gonzales Middle School Educators, we will:

- Foster a culture of inclusion and equity where all members of the Gonzales Middle School Community are loved, nurtured, valued, and expected to grow into the best version of themselves.
- Create a learning experience that requires student engagement, communication with others, and active learning at appropriate levels of rigor every day.
- Administer formative and summative assessment that reflect multiple levels of cognitive demand and be used daily to improve teaching and learning.

As Gonzales Middle School Parents, we will:

- Attend parent-teacher conferences when necessary.
- Check my child's grades online weekly and supervise homework and study time.
- Communicate with school staff on a regular basis.
- Encourage my child to do his / her best, both in the classroom and out.
- Ensure that my child attends school on a regular basis and arrives on time each day.
- Participate in school activities and events throughout the year.
- Serve as a positive role model for my child.

As Gonzales Middle School Students, we will:

- Come to school on time and on a regular basis.
- Come to school prepared with materials needed and homework assignments completed.
- Conduct ourselves in a safe and orderly manner at all times.
- Maintain a positive attitude, both in the classroom and out.
- Respect ourselves, our classmates, and all staff.
- Stay attentive and actively participate in class activities.
- Serve as a positive role model for other students.

This was discussed with your student during PE on August 11/12, 2025.

Jointly Developed with Parents
Parents, students, and school staff worked together and shared ideas to develop this Compact for Achievement. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs.
Families are welcome to provide feedback on the compact at any time during the school year. Please call Principal Lori Charlet at 225-391-6450 or visit our school website for additional information.
