Annual Child Find Notice

It is the responsibility of the Dudley-Charlton Regional School District to identify any child, ages 3 – 21, who may have a disability and who is a resident of the towns of Dudley or Charlton. This includes children who are homeschooled, placed in foster care, or who may be experiencing homelessness.

The Dudley-Charlton Regional School District is also responsible for the evaluation of those students to determine if they are eligible for special education or related services under Federal law, IDEA (Individuals with Disabilities Education Act), or Massachusetts Special Education Regulations, 603 DCMR 28.01

The Dudley-Charlton Regional School District is committed to identifying children before their third birthday in order to provide early intervening services for three- and four-year-olds. If you have questions or concerns regarding your child's development and would like to have the child screened, please contact the Department of Pupil Personnel Services.

If you suspect that your child may need an evaluation to determine eligibility for special education services, you may request an evaluation, at no cost, through the Dudley-Charlton Regional School District. Please contact us at the following address:
