

McAULEY TAKES YOU THERE!

"Nothing is more productive to the good of society than the education of women."

- CATHERINE McAULEY

CORE VALUES OF A MERCY EDUCATION

Our **CORE VALUES** are the hallmarks of a Mercy Education. These are the ideals we stand up for and strive to live up to. We hold ourselves to these standards as an institution, as a community and as individuals. Each value is interconnected and necessary as we take Mercy into the world.

My favorite thing about McAuley is the close knit and welcoming community which celebrates each other's success and lifts one another up has greatly influenced me. This combination of academic rigor and strong relationships has shaped me into a more confident, driven, and compassionate person.
- CATHERINE, CLASS OF 2026

COMPELLED BY MERCY McAuley students are steadfastly determined to take Mercy into an interconnected world. Our shared sense of social consciousness is fortified by universal empathy and a conviction that all are worthy of God's mercy. This deep awareness and compassion move us to take principled action and serve the needs of others.

EDUCATIONAL COURAGE McAuley students welcome the challenge of pursuing their full potential in a culture of excellence, critical thinking and curiosity. Their multifaceted journey builds character while it builds essential skills. Our holistic program expects engagement, a thirst for knowledge and personal responsibility, while preparing students to thrive for a lifetime.

INSPIRED BY FAITH McAuley students become living models of faith and forceful advocates for Gospel values. Grounded in our Catholic identity in the Mercy tradition, we welcome all faiths and are strengthened and shaped by these relationships. As we pursue a personal relationship with God, we strenuously follow Jesus Christ's example of social justice, love and service.

PRINCIPLED LEADERSHIP McAuley students are poised to lead with their unique gifts. Prepared with an ethical and moral compass, we put Mercy values into action and work assertively for what is right. We are equipped to make difficult choices, learn from our mistakes and develop high emotional intelligence. We are confident in our ability to make a positive difference and push for systemic change.

A VOICE FOR DIGNITY AND RESPECT McAuley students honor the intrinsic value of the individual and recognize God's presence in each person. We embrace a global vision and value differences of opinion, and are unafraid to confront hostile or hurtful attitudes. By standing up for those who can't, we go beyond acceptance to help make sure everyone feels recognized and heard.

Tradition: NEARLY **40%** OF MCAULEY STUDENTS ARE DAUGHTERS OF A MCAULEY ALUMNA.

We believe that a school **FOR GIRLS** is better than a school **WITH** girls.

THE MCAULEY ADVANTAGE

Now is your time to inquire and excel

McAuley is a place that empowers girls to use their strong voices and leadership abilities to make a lasting difference in the world. Visitors to our campus witness this every day – in our classrooms, on the field, and projecting from the stage. Girls see their potential as having no limits. The experiences and benefits of a McAuley education last for a lifetime.

Girls' school students **STRENGTHEN THEIR VOICE** and are **ENCOURAGED TO SPEAK FREELY** without interruption. Nearly 87% of girls' school students feel **THEIR OPINIONS ARE RESPECTED** at their school compared to only 58% of girls at coeducational schools.

"McAuley helped me grow into a more confident woman that is sure of herself and her abilities. Being surrounded by such loving and supportive faculty, staff, and peers has taught me lessons of kindness and generosity, while also enforcing the value of leadership, service, and self expression. In my last three years, I have become a more outgoing, responsible, supportive, and self-assured young woman who is ready to step out into the world and take the skills she has learned as a McAuley girl."
- SARA, CLASS OF 2026

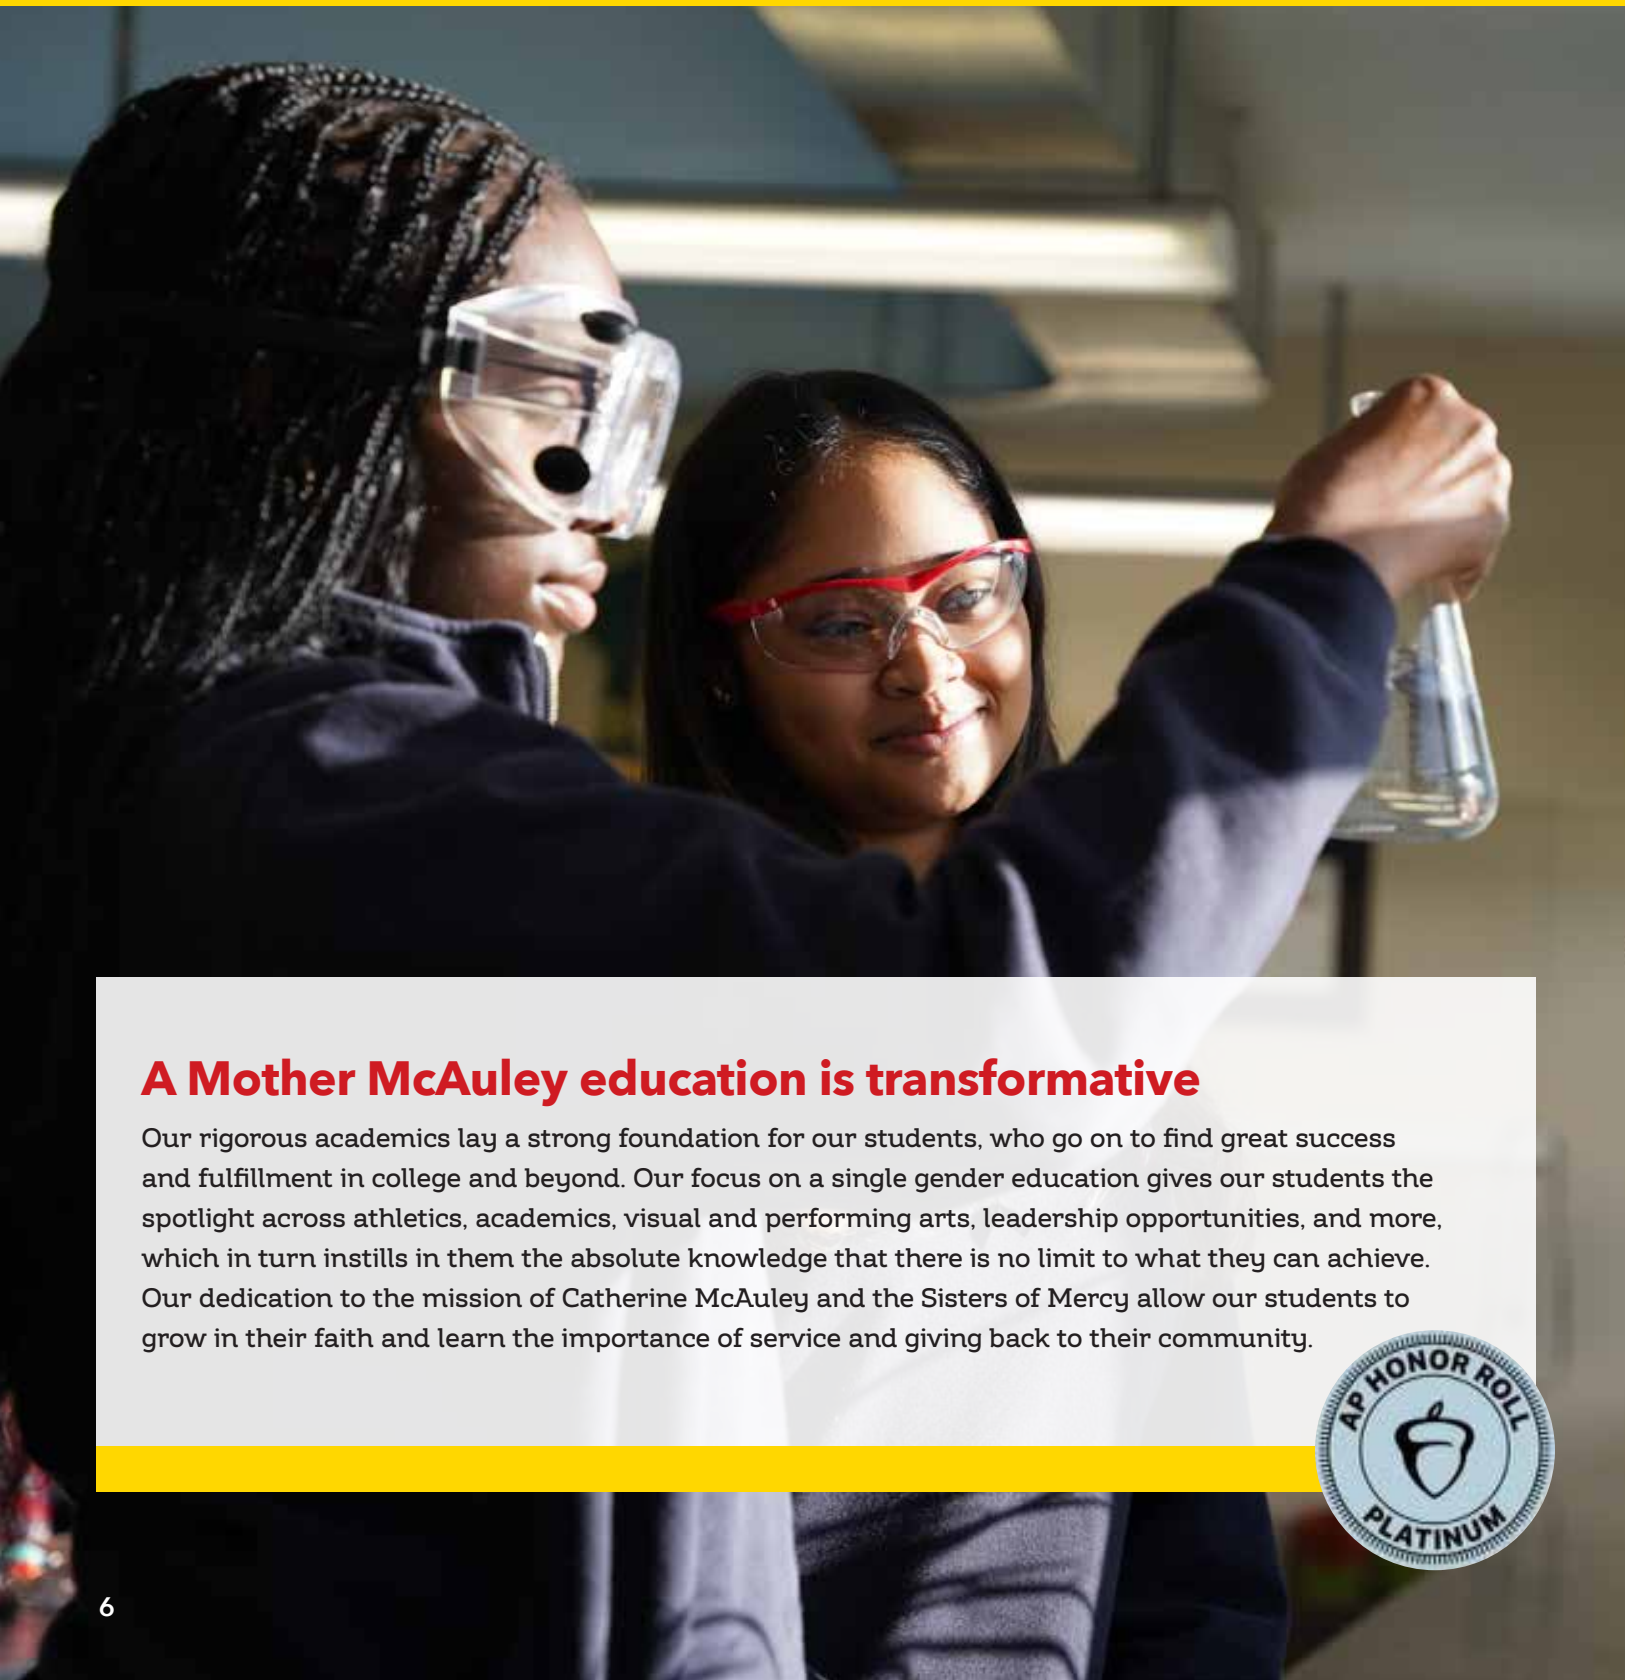

GIRLS' SCHOOLS ARE LEADING THE WAY IN CLOSING THE GENDER GAP IN STEM
STUDENTS ATTENDING GIRLS' SCHOOLS EXPERIENCE **HIGHER LEVELS OF SUPPORT** FROM THEIR CLASSMATES AND TEACHERS THAN DO THEIR PEERS AT CO-ED SCHOOLS

80% OF GIRLS' SCHOOL STUDENTS REPORT THAT MOST OF THEIR CLASSES CHALLENGE THEM TO THEIR **FULL ACADEMIC POTENTIAL**

93% OF GIRLS' SCHOOL GRADS SAY THEY WERE OFFERED **GREATER LEADERSHIP OPPORTUNITIES** THAN PEERS AT CO-ED SCHOOLS

80% HAVE HELD **LEADERSHIP POSITIONS** SINCE GRADUATION

PURSuing YOUR **FULL POTENTIAL**

A Mother McAuley education is transformative

Our rigorous academics lay a strong foundation for our students, who go on to find great success and fulfillment in college and beyond. Our focus on a single gender education gives our students the spotlight across athletics, academics, visual and performing arts, leadership opportunities, and more, which in turn instills in them the absolute knowledge that there is no limit to what they can achieve. Our dedication to the mission of Catherine McAuley and the Sisters of Mercy allow our students to grow in their faith and learn the importance of service and giving back to their community.

What does Liberal Arts mean?

Our liberal arts perspective provides an unmatched, well-rounded Mercy education enriched with hands-on learning opportunities in the humanities, arts, natural and social sciences. Rooted in our mission and ministry, we prepare students not only to solve problems, but to think about them critically and compassionately, making meaningful connections in the world around them and using their knowledge in service of others.

Explanation of Tracks

Academic level classes incorporate a review of basic skills with increasing focus on the higher level skill of application. These classes have a slightly smaller class setting and more teacher-facilitated instruction.

Advanced level classes focus more on higher level skills of application and analysis. The goal is to facilitate student learning so that they become more self-motivated. Advanced classes expect students to be active participants in the learning process.

Honors classes integrate higher level thinking skills of application, analysis, and synthesis of content with an expectation of more independent learning. These classes require students to take initiative, think critically, problem solve, and apply learned concepts.

Advanced Placement (AP) courses are structured to align with the College Board curriculum focused on depth of content. Students in these courses are independent learners, self-motivated and able to complete assignments with minimal guidance. There is a significant amount of work outside of class. Students who enroll are required to sit for the AP test in May.

Curriculum Guide

Each student must carry a **minimum of seven classes** each semester. Mother McAuley places students in **three different academic tracks** in English, Language, Biology, and Algebra based on their ability level: honors, advanced, and academic. These tracks are fluid and may change at the end of each academic year depending on the students' level of mastery.

Advanced Placement Program (AP)

Mother McAuley offers an extensive AP program with a total of **19 classes in English, Mathematics, Science, Social Studies, Visual Arts & Technology, and World Languages.** The AP Program courses provide students with the opportunity to experience the challenge of college-level courses while still in the supportive high school environment. Students are required to take the College Board Advanced Placement Exam at the end of the course (exam fee required, 2023-2024 \$97 fee). View the AP courses offered at McAuley and in conjunction with Brother Rice in the curriculum guide linked above.

Catherine McAuley Honors Scholars

The Catherine McAuley Honors Scholars (CMHS) is a program instituted to recognize superior academic achievement, offer opportunities for academic and cultural enrichment, encourage further development of skills and talents, and reward high-achieving students for their endeavors. Students may be invited to membership after their first semester freshman year through second semester sophomore year.

Benefits

- Provides an additional resource for securing information about academics, college preparation, career planning, and holistic development
- CMHS Enrichment Opportunities
 - Academic: course selection and advising
 - College: preparation, planning, selection, scholarship search, essay writing, applications
 - Career: advising, visits from alumnae, workplace field trips, exploration
 - Holistic Development: executive functioning workshops (time management, organization, self-advocacy, etc.), de-stress events, service opportunities, leadership development

Program Requirements

- Enroll in at least four honors classes or Advanced Placement (AP) classes each semester.
- Complete at least five AP classes before graduation.
- Maintain a 4.05 GPA each semester.
- Participate in at least one extra-curricular activity at McAuley each year.
- Attend all required whole group programs and events.
- Select and attend a minimum of two enrichment opportunities per semester.
- Select and attend one Macs with Mercy event.
- Consult with a CMHS Program Director during scheduling time.
- Participate in the Big Sister/Little Sister events during Whole Group Meetings.

Dual Credit Courses

Successful completion of select courses earns college credit hours through the dual credit program with Saint Xavier University, Chicago, IL and Lewis University, Romeoville, IL. The purpose of the college credit program is to provide transferable college credit for knowledge and skills students have mastered in high school courses (*SXU and/or Lewis University course fee required*).

Sister Brian Costello, RSM Learning Resource Center

The purpose of the **Costello Learning Resource Center (LRC)** is to teach our students adaptive strategies and techniques to help them be more independent learners, graduate from Mother McAuley, and successfully transition into college coursework. Students who participate in a scheduled Resource study period will benefit from:

- Approximately 200 minutes of resource time weekly
- Opportunity for one to one assistance or small group instruction with the Learning Resource teachers
- Opportunity to receive assistance with study skills, organizational skills, or time to seek assistance from their classroom teachers

Parents of 8th grade students with diagnosed learning disabilities or ADD/ADHD are encouraged to contact the Costello Learning Resource Program Coordinators prior to the high school entrance exam to discuss the student's academic needs and any accommodations she has been receiving at her grade school.

I'm most grateful for the sense of sisterhood and support I've experienced at McAuley. From the very beginning, I felt like I was part of a community that truly cared; not just about academics, but about who I was as a person. Whether it was teachers who went out of their way to help me succeed or classmates who cheered each other on, that kind of encouragement made a huge difference in my confidence and growth.

- MERCY WEEK
- MISSION TRIPS
- MONTHLY MASSES
- WEEKLY COMMUNION SERVICES
- DAILY PRAYER

Campus Ministry is at the heart of our mission as a Catholic Mercy school and supports the spiritual development of our students.

Prayer & Liturgy

Prayer and liturgy are essential elements of McAuley student life. Prayer, whether personal or communal, fosters our relationship with the God who loves us. Members of the McAuley community have many opportunities to develop this relationship throughout the year. Teachers are encouraged to begin each class with prayer, and the school community joins together in prayer every morning.

Retreats

Retreats are a critical component of faith formation. During the first three years, the retreats reflect that year's curriculum and all students participate. As seniors, the girls are invited to attend a Kairos weekend where they deepen their sense of spirituality and faith.

Service

Through direct service and outreach, students respond compassionately to the needs of others and recognize the importance of their roles in a global society. Called to see the face of Christ in all whom they encounter, students work to build peace and justice in their families and communities, both locally and globally. While students are required to complete fifteen hours of service each year, many students far exceed this minimum requirement.

"I am the most grateful for when it comes to my McAuley experience, the service and ministry opportunities offered. McAuley has shaped who I have become, through Kairos and other retreats, along with masses and prayer service, and also by making theology a required subject for all four years. Since McAuley offers many different activities, I am able to stay active in my school community and make friends along the way."

"Something that makes McAuley unique from other schools is the school spirit. There is nothing like standing in the student section at volleyball games cheering on your classmates with all your friends. The energy is unmatched. It's also in the classrooms, the hallways, and even in the parking lot. I see girls smiling and full of laughter."

- SINEAD, CLASS OF 2025

TRAVELING TO MCAULEY

Mother McAuley Liberal Arts High School is located on 99th Street, three blocks east of Pulaski in an educational community. The school shares a campus with Saint Xavier University, Brother Rice High School and Mercy Circle. Mother McAuley is committed to providing students with the most efficient, affordable and safest transportation possible.

The conveniently located campus is accessible by foot and bicycle or via car, CTA, point to point bus service, Metra and PACE bus.

Driving

Located on the southwest side of Chicago students have the ability to drive to our campus. Junior and Senior students can drive to McAuley but must purchase a parking pass.

Point-to-Point Bus Service

Mother McAuley and Brother Rice offer point to point bus service to the following areas:

- Alsip
- Northwest Indiana
- Bridgeport
- Orland Park
- Homewood
- Palos Heights
- Lansing
- Tinley Park
- Midlothian
- Western Suburbs
- Midway Region

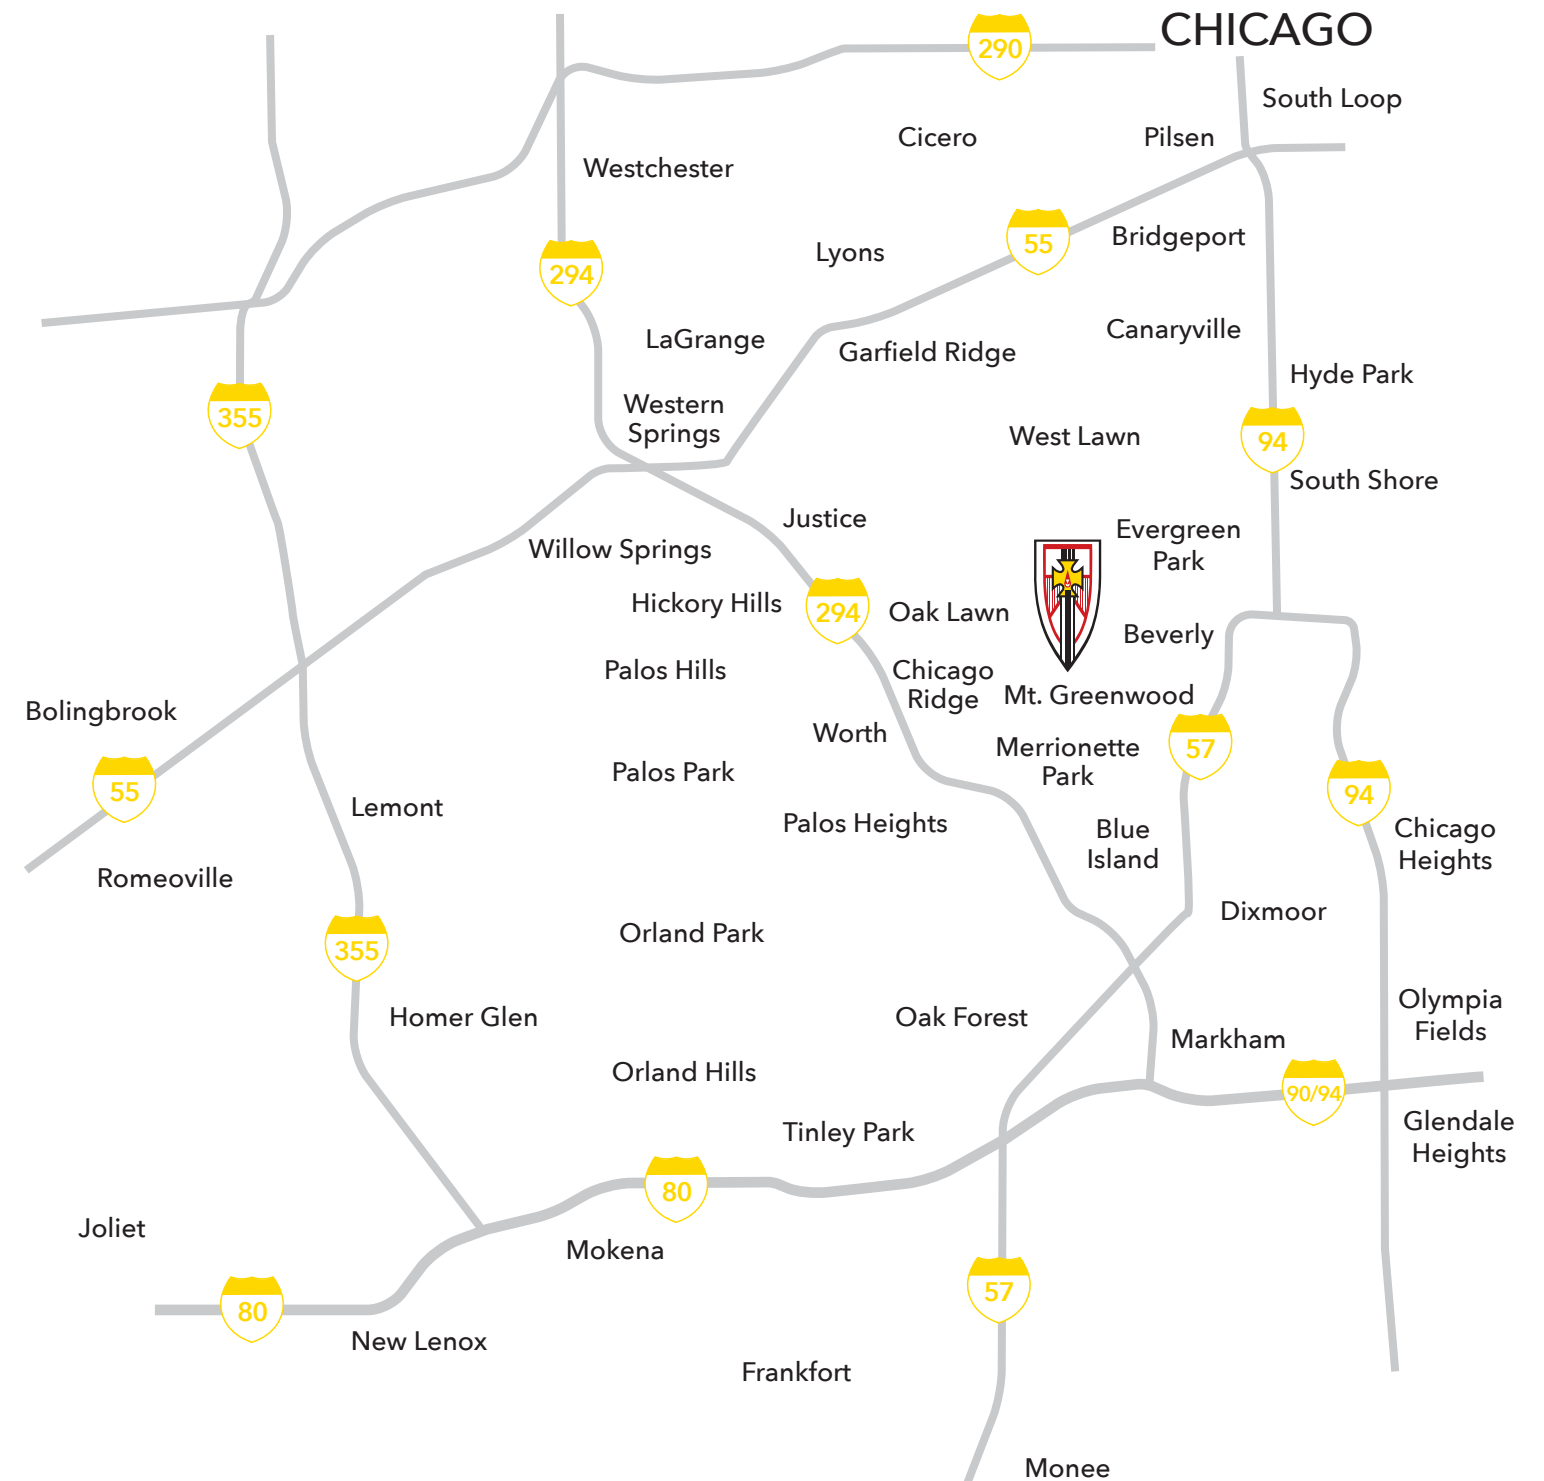

CTA/Pace Bus

The CTA/Pace Bus is an option offered to both McAuley and Brother Rice students. Students may purchase a Ventra bus pass at the beginning of the school year.

Metra

We offer transportation to and from the Oak Lawn and Beverly Metra Train Stations.

Students are responsible for their own Metra fare. Visit metra.com for more information on trainschedules and fees.
