School-Parent Compact

Shoal Creek Elementary

School Year: 2025 – 2026

Revision Date: August 27, 2025

Dear Parent/Guardian,

Shoal Creek Elementary students and their families, agree that this Compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Shoal Creek Elementary partnered together to develop this School-Parent Compact for achievement. Teachers suggested home-learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend the Annual Title I Revision Meeting(s), held in the spring of each year, to review the School-Parent Compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I Parent & Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs and plans.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

ROCKDALE COUNTY PUBLIC SCHOOLS GOAL:

“The district's overall content mastery will increase at Elementary, Middle, and High school by 10% as measured by the 2026 Spring GMAS administration.”

SHOAL CREEK ELEMENTARY GOALS:

Reading By the end of the 2025-2026 school year, SCE will see a 10- percentage point increase in 3rd-5th grade students performing at the proficient and distinguished levels in the areas of reading as evidenced by the STAR Reading and Georgia Milestones Assessment.	Math By the end of the 2025-2026 school year, SCE will see a 10 - percentage point increase in 3rd-5th grade students performing at the proficient and distinguished levels in the areas of math as evidenced by the Georgia Milestones Assessment.
PBIS By the end of the 2025-2026 school year, SCE will see a 10% decrease in the number of Out-of-School suspensions, when compared to the 2024-2025 school year, because of the implementation of Positive Behavior Intervention Support (PBIS) Structure with fidelity.	Parent Engagement During the current academic year, SCE will host at least one family and community engagement school or home activities whether in person or virtual every 4.5 weeks. (i.e. PTA meetings, school council, conferences, parent meetings, school attendance campaign, academic support, volunteering, and partners in education).

To help your child meet the district and school goals, the school, you, and your child will work together to:
