Dear Parents:

Our character trait for the month of December is the Virtue of Kindness. This is an important character trait to possess. To help the children, experience generosity, the TCA North Fourth Grade will be collecting **new** mittens/gloves, scarves, socks, and/or hats to give to those in need. If you want to participate, please send in your unwrapped item at any time. We will be hanging them on the tree in our classroom, and then donating them to a local charity in Colorado Springs. Generosity comes from the heart and giving builds character. We are all excited to see our tree grow more and more beautiful with each new hat, pair of mittens/gloves, and scarves that are added each day. You may bring your items through **December 17**. Thank so much for your giving hearts!
