# COMMUNITY SCHOOLS

## Advancing the Community Schools Initiative

The Community Schools and Family Resource Centers have experienced an exciting period of growth and progress. With new state funding, strong partnerships, and the launch of district and site-based initiatives, we are laying the foundation for a thriving, community-centered model of support for students and families.

## Key Hightlights:

- $30.6 million grant awarded to support all 21 schools.
- Eight pilot sites leading Community Schools implementation.
- Collaborative training with SBCEO, R-TAC, Inflexion, and CDE.
- District Steering Committee launched to guide site efforts.
- New Specialist role created to support implementation.
- Expanded partnerships with local and state organizations to enhance family programs.
