## School Attendance

Regular school attendance and being on time are critical to the learning process and also help the students develop a good attitude toward school. When illness or other obligations make it necessary for your child to be absent, it is requested that you call the attendance line at **480-883-5903**. A 24 hour answering machine is available for your convenience. If the school is not notified, a call will be made by the Attendance Technician to determine the reason for the absence.

In the event that you must have your child released from school prior to dismissal, we request that you come into the office to sign him/her out. Your cooperation is appreciated and essential in helping us to provide for your child's safety. Thank you.

**Reminder** -- Students should not be on campus before 8:25 a.m. Playground supervision begins at that time. Should you have child care needs before this time, the Kids Express program is available on our campus at 6:30 a.m. You can call Kids Express at 480-812-7970 for more information.

Please be sure your child is at school by 8:35 a.m. to begin their day positively!
