Notes

Talking Points and SMORE - update in views

- With text messages newsletter views went from 450 to 725 views

Adding a new kindergarten class

- 30 in one class and 28 in another and many with needs
- Ms. Ma Shwe (“Shway”) has been hired as new teacher - currently student teaching at Hale
- Ms Uhler feels really good about her
- 11/18 families will be notified about placements; 11/20 4:30-5:30 Meet the Teacher event; 12/1 New class will begin

Site Improvement Plan for 2025-26

- Will be on the website; setting realistic and attainable goals
- Academic Goals: Focused on improving math and reading performance by spring by ~3-5% (keep everyone at a year’s growth and get accelerated growth in the lowest performers)
- School Climate Goal: improve climate survey results around peer-to-peer interactions
- Professional Development Goal: 100% of teachers observing colleagues multiple times
- Inclusive Environment Goal: Focused on welcoming events that are responsive

Decide on whether or not to add a business person from Northrop’s boundaries

- Mary presented some ideas for what value a person could bring
- No decision made - still considering and will maybe taking a vote next time

Northrop community generosity

- Through a small campaign, PTA Officers raised money to support some known

Open Health Services Assistant position

- Donna is retiring in December
- If we know anyone, please spread the word about the opening which has been posted.
Work day is 9:10am-3:50pm. Job ID 103062

Questions/Discussion

- None

Adding a New Kindergarten Class Timeline

- New Teacher has been hired
- Tuesday, November 18 - Families will be notified of placements
- Thursday, November 20 - “Meet the Teacher” event with new teacher from 4:30-5:30pm
- Monday, December 1 - New class begins

Add a Business Person or Not?

- Help build community partnerships or small sponsorships.
- Offer insights for family outreach and school storytelling.
- Share what local employers are looking for and support real-world learning.
- Advise on practical tech or AI tools that save staff time.
- Bring an external, strategic lens for long-term planning and advocacy.

School Improvement Plan

Thank You!

"A huge thank you to Sabrina Sands and Kris Gorman and the PTA officers who did a "mini-campaign" to provide \$2050 in food and gas assistance primarily for Northrop families in our Every Meal program. This was greatly appreciated by our families."
