

2025-26 PARENT AND FAMILY ENGAGEMENT PLAN

Title I School Parent and Family Engagement Plan

The Every Student Succeeds Act (ESSA) is a federal program to provide all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps. A requirement of ESSA is that each school shall jointly develop with and distribute to parents and family members a written plan that describes how the school will meet legislative requirements.

This document outlines how our school will meet the ESSA requirements listed below:

Convene an annual meeting at a convenient time, to inform parents of the school's participation in and requirements of Title I and the parents' right to be involved.

Offer a flexible number of meetings (morning, evening, weekend, etc.)

Provide parents:

- Timely information about programs;
- A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging State academic standards;
- Allow for parent comments on the schoolwide plan.

Involve parents in an organized, ongoing, and timely way, in the planning, review, and improvement of programs, including the planning, review, and improvement of the school parent and family engagement plan and the joint development of the schoolwide program.

If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible.

INVOLVE PARENTS IN THE DEVELOPMENT OF PFE PLAN & COMPACT AND THE TITLE I PROGRAM

We encourage families to be actively involved in the development of our PFE (Parent and Family Engagement) Plan, Compact and Title I Program. Families are invited to attend monthly PTA meetings to engage parents in discussions about Title I Program in order to plan, review, and improve school-wide programs. In addition, we will provide surveys throughout the year for parents and students to provide feedback.

PROVIDE INFORMATION TO PARENTS

Information will be provided to parents through multiple channels to ensure accessibility. Parents will receive information during face-to-face meetings, virtual meetings, automated phone messages, GCS and Sedalia Family/Student Handbooks, and ClassDojo (software application used to communicate with parents).

ALLOW FOR COMMENTS ON THE PFE PLANS

Based on feedback from all stakeholders, the plan will be updated to meet the needs of our school community. In addition, comments of stakeholders will be used for future planning.
