

Beacons to the FUTURE School Vision

- Our Scholars become "Beacons To the Future"
- Our Scholars become responsible, lifelong learners in a safe and nurturing environment
- Our school participates in building and maintaining community and family partnerships
- Our scholars achieve academically, socially, and physically to their highest potential
- We honor and respect diversity and inclusivity

James Island Elementary School is a neighborhood STEAM school dedicated to developing lifelong learners with skills in critical thinking, communication, collaboration, and creativity. Our teachers collaborate across grade levels to create engaging, interdisciplinary lessons and host events like Family Reading Night, Music Concerts, Prize Patrol "Get Caught Reading" Program, and on Family Math and Science Nights.

James Island Elementary School teachers and staff delivered rigorous, standards-based instruction to students. We are excited to continue to serve all of our students through meaningful and engaging activities next school year!
