OWL WEEKLY EMAIL

November 17, 2025

In an effort to increase communication with our students and families, we send a weekly email on Sunday evenings or Monday mornings highlighting upcoming school events. This information will also be shared with students in Schoology and in Crew on Mondays. Events are listed in chronological order.

Monday is survey day in Crew: Your Crew leader will help you access the SPPS Career Pathways survey. Do you have a survey to give? Email megan.hall@spps.org.

NEW! Still interested in trying archery? We have one more Open Shoot on November 18th, from 3pm to 5pm. Ready to commit to the team? You can sign up here! Have questions? You can see our website for FAQ, the Calendar, or other information. Have other questions? Please email OpenWorldArchery@gmail.com.

OWL Crew Parliament does not meet this week.

THIS WEEK! Student-Led Conferences are Wednesday, November 19 and Thursday, November 20: Students will present about their progress and share artifacts with families and Crew leaders. If you do NOT have a conference time, please contact your student's Crew leader or call the office at 651-293-8670.

***THIS THURSDAY*: Give to the Max Day fundraiser Thursday, November 20**: Fall retreats and spring interim are fundamental experiences for students at OWL--but they require the community's support. Please consider making a donation on our GiveMN.org website (click here) starting now until Thursday, November 20! Checks can also be made out to "OWL PTO" and delivered to school by November 20 to be counted in the fundraising total. Your donation is tax-deductible. Every donation, no matter the amount, is entered into drawings for larger lottery-style prizes for our PTO. Please send questions to treasurer@owlpto.org. Thank you so much!

This month in Crew: students are preparing student-led conference materials for presentations November 19 and 20. If you have not yet signed up for a conference time, email your Crew leader for a link to their calendar sign-up. November Crew lessons focus on building skills in the area of responsibility, and all Crews are invited to participate in a poster competition in preparation for Asian/Pacific American Family Culture Night on December 3.

Trip to NEW YORK CITY in spring 2027: Humboldt is planning a group trip with EF Education to NYC in spring of next school year. They have invited OWL students to be part of the trip. HERE IS MORE INFORMATION about the trip. Fill out the RSVP even though the initial meeting has already happened—they will plan another meeting for any new interested families.

Food Drive Donations Needed: This is Rayne and Grant. We are doing a food drive for our senior project and we need donations! We will be going crew to crew this week with more information for you on specific items and how to donate. This is a crew contest-- whichever crew collects the most will win a prize. This is an opportunity to help your community when a lot of people are struggling due to the pause in funding of snap benefits (Supplemental Nutrition Assistance Program). NEW! From the Nurse: SPPS has a protocol for students to self-carry **over the counter medications**. Students in grades 6 and above can self-carry most over the counter medication (excluding medication containing ephedrine or pseudo-ephedrine). Attached you will find the form to complete if you would like your student to carry over the counter medication in their backpack (common medications are Acetaminophen and Ibuprofen).
All medications that are self carried must be in the original bottle and clearly labeled. Due to safety and security, we do not allow students to carry medications in baggies. If you would like your student to self carry over the counter medication, please complete THIS FORM and mark "self carry" "self administer" and have your student drop off the form in the health office. This form needs to be updated annually. Thank you for your understanding. Jennifer McFarlane LSN

One proven way to live a happy life is to express gratitude. Is there a staff member at OWL that has done something you are grateful for? Shoot them an email! An alternative and way has been made available by filling out this link. (This form requires an email but is sent anonymously.)

Important Reminder about Attendance:
If your child is going to miss school, please call, email owlattendance@spps.org or write a note to explain the reason for the absence. If we do not hear from you, the absence is documented as unexcused. After 3 days of unexcused absences, you will receive a letter from the school reminding you to please communicate with us so the absence(s) may be documented accurately. If

your child continues to miss school, unexcused, he/she will be referred to the SAM (School Attendance Matters) Program for intervention.
The following reasons for absence qualify as an excused absence; illness, doctor, dental or therapy appointment (please be sure to obtain a note to give to the school), extreme family emergency or religious holiday not already recognized by our school district. When a student misses 3 or more class periods in one day, this is considered to be a full day of absence. Please call us if you have any questions/concerns.

Community Resources:

White Antiracist Parenting Shared Learning and Peer Coaching Cohort: Led by OWL Parents Julia Hobday and Becky Dale.
There is a free information session on Tuesday, November 18, from 7–8 PM (on Zoom).
The cohort itself will meet twice a month, January–March, on Thursday evenings via Zoom, and will include three tiered pricing options to make it as accessible as possible.
A little background from the facilitators:
When my kids were young, I often wished I had other parents to talk with as I tried to raise them with awareness and courage in a world shaped by racism. I wanted space to learn, reflect, and grow together - like we had with ECFE! This cohort is the group I wished I'd had — and now, with my kids nearly grown, I'm excited to help create it for others.
Becky has had a similar journey, and her work aligns closely with mine. Folks can read more about her and her work here and learn more about my work here.
If you know parents (of kids ages 0–18) who might be interested — or if this sounds meaningful to you personally — please share this information with them, or join us for the info session.
