

# Inclement Weather Plan

## Planning

When inclement weather approaches, the Superintendent consults with sources like other ACSS administrators, local EMA, local road crews, law enforcement, weather forecasts and other district administrators. If we can safely run buses, we will.

## Timing

Any closure or modification to the school day will be communicated as quickly as possible, based on the nature of the storm or event. The goal is to make a decision the night before if, forecast models are strong, or as early as possible in the mornings, to allow as much time for families to plan as possible.

## Decisions are Based On

Closing decisions are based on numerous factors, such as:

- Current and predicted weather conditions
- Road conditions
- The ability for schools to prepare for safe student arrivals

## Notifications

The ACSS community will be notified of weather-related closings, delays or early releases via:

- Infinite Campus
- Shout Point (this is a message from the ACSS....)
- ACSS District Website
- Appling County Schools Facebook Social Media Page
- Media Outlets

**Notify your school with any changes to your contact information so that you can get the latest updates.**

## **Inclement Weather Plan**

The ACSS community will be notified of weather- related closings, delays or early releases via:

- Infinite Campus
