

## Jumping Clay

"Learning through Play" is vital to a child's development, and Jumping Clay provides the perfect Hands-On Learning Tool through the use of our wonderful clay modeling products and educational programs. The air-drying modeling clay has been used in the educational environment for some time and the benefits are well known, helping to increase achievement across the board - these include:

- Verbalizing Thinking, Discussing Concepts & Ideas
- Increased Concentration Levels
- Collaborative Working Among Peers
- Creative Expression
- Building Confidence
- Develop Hand-eye Coordination or Fine Motor Skills
- Increase Artistic Skill
- Relaxation and of course, have fun at the same time.
