

OUR SCHOOL

Pan American School - the International School of Porto Alegre was founded in 1966. We are an independent non-profit, PreK-12 institution, represented by 20 nations from all over the world, including the USA and Brazil.

OUR STUDENTS

Pan American School provides students with a dual-diploma program where from G6 they follow the Middle-Years Program (MYP) framework up to Grade 10. From G9 to G12, they have the opportunity to choose from a variety of challenging AP courses along with the already mandatory Brazilian National Curriculum courses in all subjects. All classes are taught in English, with the exception of Spanish, Portuguese and Brazilian social studies.

Our students strive not only to reach their full potential academically but also in the social-emotional aspect of their lives. We established reflection as an important and necessary part of the learning process. Students are able to analyze and develop their communication, research, critical thinking, self-management, interpersonal, and problem-solving skills.
