

Step 2: Creating Your Educational Plan

What to Include

- **Subject Areas**

List the core subjects you will teach and the curriculum materials or resources you plan to use for each area

- **Teaching Methods**

Describe your approach to instruction, whether traditional textbooks, hands-on learning, online programs, or a combination

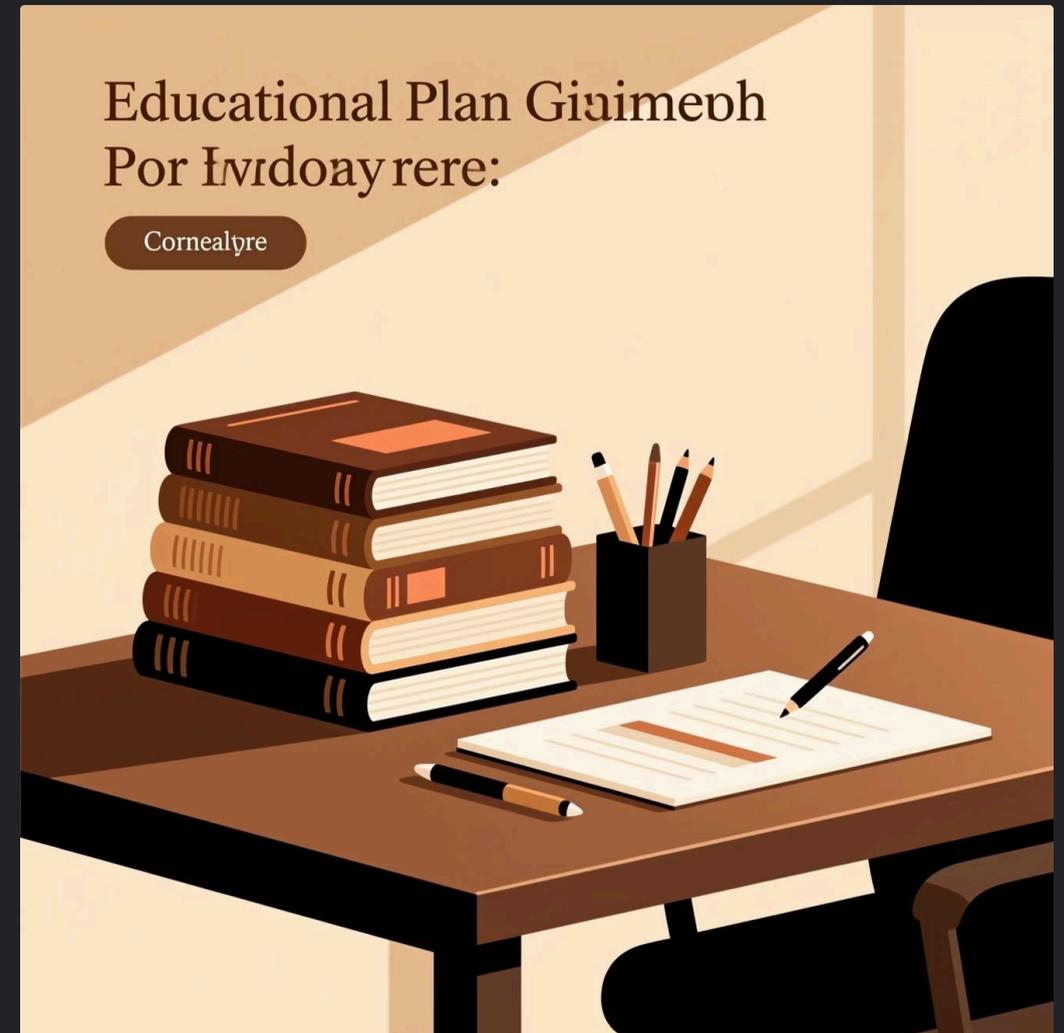

- **Assessment Strategy**

Explain how you will evaluate progress through work samples, portfolios, standardized testing, or narrative reports

- **Qualifications**

Include a brief statement about your ability to teach (formal degrees are not required by Massachusetts law)
