Principal: Megan Lee **Vice Principal:** Jennifer Schmierer **Counselor:** Scott Gramer **Secretary:** Ahalam Oirdhaa

Afternoon Homework Club will begin on **Monday, November 17th**. Homework club for grades 3-6 will meet each **Monday & Thursday** from **2:45pm - 3:15pm**. The purpose of homework club is to provide opportunities for our younger students to work on recommended skills practice, on the computer, in a supervised environment. Our oldest students will be able to have small group help until the dismissal time of 3:15pm. Teachers will be present to help/tutor the students. Parents may pick students up at the front of the school at the end of Homework club. Teachers will walk them to the front of the school at the end of the study-hall/tutoring session. Due to the distraction of students arriving late/leaving early, students attending must arrive promptly after school and stay until 3:15pm. Students are expected to follow all school rules and practice safe, respectful behavior while at homework club.

3rd - 6th - General Mr. Smith in Room # 105
3rd - 6th - MATH focused Mrs. Wolf in Room # 105

We look forward to helping your children with their homework, and other work in order to help them develop solid study skills and achieve academically.

If you have any questions, please contact the school office at 663-2325.

Thank you,
Megan Lee – Principal
