**MEMORANDUM OF UNDERSTANDING**
**Temple College Dual Credit Program(s)**
**2025-2026 (FY25)**

| COLLEGE DISTRICT: | INDEPENDENT SCHOOL DISTRICT (ISD): |
|---|---|
| Temple College (TC) | Orenda Charter Schools |

The institutions named above seek to expand access to higher education and workforce training in their local communities through college credit, certificate, or non-certificate courses agreed upon by the institutions.

Both parties agree to adhere to the policies and procedures of each organization, to work expediently to resolve any situations in which the institutional policies or procedures may conflict and to review the relationship represented in the MOU each year.

**TYPE OF AGREEMENT**

- ☐ Restricted high school courses for eligible high school students only, offered on high school campus via face-to-face or electronic delivery.
- ☒ High school students, with ISD or parental permission, may take TC courses at a TC campus or Center(s) via face-to-face or electronic delivery.

**GENERAL PROVISIONS/ TEMPLE COLLEGE- TEXAS BIOSCIENCE INSTITUTE DUAL CREDIT PROGRAM DEFINITIONS**

Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.83 and 19 Tex. Admin. Code § 9.1

- Dual Credit – A process by which a high school student enrolls in a college course and receives simultaneous academic credit for the course from both the college and the high school. While dual credit courses are often taught on the secondary school campus to high school students only, § 4.84 of this title (relating to Institutional Agreements) and § 4.85 of this title (relating to Dual Credit Requirements), also apply when a high school student takes a course on the college campus and receives both high school and college credit. Dual credit is also referred to as concurrent course credit; the terms are equivalent. However, dual (or concurrent) enrollment refers to a circumstance in which a student is enrolled in more than one educational institution (including a high school and a college). This differs from how the term "concurrent enrollment" is used (see below).
- Dual Enrollment – (previously referred to as dual or concurrent enrollment) -- Refers to a system under which a student is enrolled in more than one educational institution (including a high school and a public institution of higher education). When a student in a dual enrollment system enrolls in courses that student earns appropriate course credit from each distinct educational institution that offered the course. **Dual enrollment is not equivalent to dual credit.**
- Articulated College Credit – Credit earned through a high school-level course that fulfills specific requirements of an identified college-level course and provides a pathway for high school

students to earn credit toward a technical certificate or technical degree at a partnering institution of higher education. A course that is part of an Articulation Agreement between an ISD and TC. Credit is awarded after high school graduation, and after the student enrolls at TC and successfully completes six (6) hours of college credit further meeting all requirements of the Articulation Agreement.

- International Baccalaureate Diploma Program – The curriculum and examinations leading to an International Baccalaureate diploma awarded by the International Baccalaureate Organization.
- College Board Advanced Placement--College-Level courses and exams available to secondary students under the auspices of an approved College Board program.
- Early College Education Program – A program as defined in TEC 29.908.
- Early College Program--A program developed via an institutional agreement in partnership between a public institution of higher education and high schools or school districts in which a student enrolls in courses that are part of a defined sequence of courses leading to a Board-approved certificate, AA, AS, or AAS degree program as defined in *Title 19, Part 1, Chapter 9, Rule 9.1 - Definitions of Texas Administrative Code*.

**STATEWIDE DUAL CREDIT GOALS**

*Reference: Texas Education Code; Section 28.009; (b-1) and (b-2)*
(b1) The Texas Education Agency (TEA) and the Texas Higher Education Coordinating Board (THECB) jointly shall develop statewide goals for dual credit programs, including early college high school programs, career and technical education dual credit programs, and joint high school and college credit programs provided under Section 130.008, to provide uniform standards for evaluating those programs. The goals must address, at a minimum:

(1) A dual credit program's achievement of enrollment in and acceleration through postsecondary education;

(2) Performance in college-level coursework; and

(3) the development of an effective bridge between secondary and postsecondary education in the state.

(b-2) as amended by Acts 2023, 88th Leg., R.S., Ch. 378 (H.B. 8), Sec. 2, eff. June 9, 2023
Any agreement, including a memorandum of understanding or articulation agreement, between a school district and public institution of higher education to provide a dual credit program described by Subsection (b-1) must:

(1) include specific program goals aligned with the statewide goals developed under Subsection (b-1);

(2) establish common advising strategies and terminology related to dual credit and college readiness;

(3) provide for the alignment of endorsements described by Section 28.025(c-1) offered by the district, and dual credit courses offered under the agreement that apply towards those endorsements, with postsecondary pathways and credentials at the institution and industry certifications;

(4) identify tools, including tools developed by the agency, the Texas Higher Education Coordinating Board, or the Texas Workforce Commission, to assist school counselors, students, and families in selecting endorsements offered by the district and dual credit courses offered under the agreement;

(5) establish, or provide a procedure for establishing, the course credits that may be earned under the agreement, including by developing a course equivalency crosswalk or other method for equating high school courses with college courses and identifying the number of credits that may be earned for each course completed through the program;

(6) describe the academic supports and, if applicable, guidance that will be provided to students participating in the program;

(7) establish the district's and the institution's respective roles and responsibilities in providing the program and ensuring the quality and instructional rigor of the program;

(8) state the sources of funding for courses offered under the program, including, at a minimum, the sources of funding for tuition, transportation, and any required fees or textbooks for students participating in the program;

(9) require the district and the institution to consider the use of free or low-cost open educational resources in courses offered under the program;

(10) ensure the accurate and timely exchange of information necessary for an eligible student to enroll at no cost in a dual credit course as provided by Section 28.0095;

(11) be posted each year on the district's and the institution's respective Internet websites; and

(12) designate at least one employee of the district or institution as responsible for providing academic advising to a student who enrolls in a dual credit course under the program before the student begins the course.

These goals provide guidance to institutions of higher education (IHEs) and independent school districts (ISDs) on components that must be in place to ensure that quality dual credit programs are provided to Texas high school students.

Goal 1: Independent School Districts (ISD) and Institutions of Higher Education (IHE) will implement purposeful and collaborative outreach efforts to inform all students and parents of the benefits and costs of dual credit, including enrollment and fee policies.

**TC and ISD alignment:**

- TC will provide annual Dual Credit Information Sessions at the high school or college location for parents and students. Information Sessions will include information about the benefits and costs of dual credit and local enrollment and fee policies.
- ISD will advertise the event to parents and students interested in dual credit and provide a location for the event if it is to be held on the high school campus.
- TC and ISD will provide dual credit webpages that reflect the most current dual credit program information, including enrollment and fee policies.
- TC will hold an annual counselor's meeting that will provide the latest information regarding dual

credit best practices, upcoming deadlines, legislative requirements, and TC policies affecting dual credit learners.

- TC and ISD will hold PAC meetings (alternating locations) that allow IHE and ISD staff to collaboratively address any ongoing dual credit issues and to further align marketing campaigns and dual credit goals.

Goal 2: Dual credit programs will assist high school students in the successful transition to and acceleration through postsecondary education.

**TC and ISD alignment:**

- TC will provide annual Dual Credit Orientation Sessions at the high school or college location for parents and students. Orientation Sessions will include information about TC student policies, best practices for successful adaptation to college curriculum, and e-learning orientation to assist student access to provided online portals and student support.
- ISD will advertise the event to parents and students interested in dual credit and provide a location for the event if it is to be held on the high school campus.

Goal 3: All dual credit students will receive academic and college readiness advising with access to student support services to bridge them successfully into college course completion.

**TC and ISD alignment:**

- TC will provide an online service for student advising access and support called CRM Advise.
- TC will provide (1) Dual Credit Pathways guides that align high school pathways (endorsements), including dual credit courses, with Temple College academic or career and technology certificates and degree programs, (2) program maps showing a clear pathway to completion, further education, and employment in fields of importance to the region, and (3) transfer pathways aligned to pathway courses and expected learning outcomes with transfer institutions, which optimize the applicability of community college credits to university majors.
- TC will provide advising services at all center locations on a walk-in basis.

Goal 4: The quality and rigor of dual credit courses will be sufficient to ensure student success in subsequent courses.

**TC and ISD alignment:**

- TC endeavors to ensure quality and rigor of all college credit courses by upholding SACSCOC accreditation standards in hiring of faculty.
- All college faculty are evaluated annually by the relevant department chair in accordance with the college's Annual Evaluation policy, located in Temple College's Administrative Regulations.
- All college courses are issued student evaluations for learner feedback.

**STUDENT ELIGIBILITY**

*Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85.*

1. A high school student is eligible to enroll in dual credit courses if the student:
   A. is not a degree-seeking student as defined in §4.83(10) of this subchapter (relating to Definitions);
   B. demonstrates that he or she is exempt under the provisions of the Texas Success Initiative as set forth in §4.54 of this chapter (relating to Exemption);
   C. demonstrates college readiness by achieving the minimum passing standards under the

provisions of the Texas Success Initiative as set forth in §4.57 of this chapter (relating to Texas Success Initiative Assessment College Readiness Standards) on relevant section(s) of an assessment instrument approved by the Board as set forth in §4.56 of this chapter (relating to Assessment Instrument); or

D. Meets the eligibility requirements for a Texas First Diploma under §21.52 of this title (relating to Eligibility for Texas First Diploma).

2. A student who is enrolled in private or non-accredited secondary schools or who is home-schooled must satisfy paragraph (1) of this subsection.

3. An institution may require a student who seeks to enroll in a dual credit course to meet all the institution's regular prerequisite requirements designated for that course (e.g., a minimum score on a specified placement test, minimum grade in a specified previous course, etc.).

4. An institution may impose additional requirements for enrollment in specific dual credit courses that do not conflict with this subchapter.

5. An institution is not required, under the provisions of this section, to offer dual credit courses for high school students.

**TUITION AND FEES:**

Courses taken by Dual Credit students will be billed at a rate of $55 per credit hour for tuition. Students living outside of a Temple College taxing district will be charged a rate of $10 per hour as an out-of-district fee. If applicable, additional course fees such as health science fees, laboratory fees, certification exam fees, or insurance fees will be billed based on the College's fee schedule.

Tuition and fee charges shall be invoiced by the College after the last census date of the semester, and shall be paid by the ISD within 30 days of invoice receipt. See "Funding Sources" additional details.

The Dual Credit program tuition discount and or waiving of any related fees are subject to change by the TC Board of Trustees. All tuition, charges, and fees are subject to change by action of the Board of Trustees, as they deem advisable.

**TBI CONSORTIUM FEE**

A Texas Bioscience Institute (TBI) Consortium Group was established between the affiliated ISDs, Home School participants and Temple College.

The Consortium Fee is used to fund specific instructional and student support-related activities unique to The TBI Middle College. In addition, as part of the Consortium Group, Temple College also provides the ISD and Home School participants with outreach services geared specifically to the needs of each ISD and Middle College student

The current Consortium Fee is set at $150 per student for all affiliated Independent School Districts and Home-Schooled students for up to twenty students. The fee is capped at $3,000 for those affiliated and sending more than twenty students to the TBI Middle College Program.

***Please note that the current TBI Consortium Fee will be evaluated on an annual basis as to its effectiveness and whether it is feasible for its continuation at the current rate.***

Temple College will bill the Independent School District an appropriate consortium fee to be part of the Texas Bioscience Institute. (Invoicing for payment of the Consortium Fee is sent with the annual renewal of the MOU for each ISD).

**FACULTY QUALIFICATIONS**

Faculty Selection, Supervision, and Evaluation.
*Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85 (e).*

1. Each institution shall apply the standards for selection, supervision, and evaluation for instructors of dual credit courses as required by the institution's accreditor. A high school teacher may only teach a high school course offered through a dual credit agreement if the teacher is approved by the institution offering the dual credit course.

2. The college shall supervise and evaluate instructors of dual credit courses using the same or comparable procedures used for faculty at the main campus of the college.
   2.1. All instructors must meet the minimum requirements as specified by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).
   2.2. The College shall select, supervise, and evaluate instructors for courses that result in the award of college dual credit.
   2.3. Instructors must meet the same standards, review, evaluation, and approval procedures used by the College to select faculty responsible for teaching the same courses at a main campus or Center of TC.
   2.4. Instructors, even if employed by and paid by the ISD, must be supervised in instructional matters by the TC Department Chair and must meet all administrative and evaluation requirements.
   2.5. Official transcripts of instructors must be kept on file at Temple College.

**LOCATION AND STUDENT COMPOSITION OF CLASSES**

*Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85 (c) (d).*

1. Location of Class. An institution may teach dual credit courses on the college campus or on the high school campus. For dual credit courses taught exclusively to high school students on the high school campus and for dual credit courses taught via distance education, the institution shall comply with chapter 2, subchapter J of this title (relating to Approval of Distance Education for Public Institutions).

2. Composition of Class. A dual credit course may be composed of dual credit students only or of a mixture of dual credit and college students. Notwithstanding the requirements of subsection (e) of this section, exceptions for a mixed class that combines dual credit students and high school credit-only students may be allowed when the creation of a high school credit-only class is not financially viable for the high school and only under one of the following conditions:
   2.1. If the course involved is required for completion under the State Board of Education High School Program graduation requirements;
   2.2. If the high school credit-only students are College Board Advanced Placement or International Baccalaureate students; or
   2.3. If the course is a career and technical education course and the high school credit-only students are eligible to earn articulated college credit.

**SERVICES FOR STUDENTS WITH DISABILITIES**

*Reference: Temple College Academic Accommodations*
Students enrolled in dual credit courses while in high school are eligible to receive accommodations based on their disability (TC Student Accommodation Handbook). Temple College abides by the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, which states: "No otherwise qualified person shall, on the basis of a disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic or other postsecondary education aid, benefits, or services." In order for students with disabilities to receive accommodation from TC, students must provide TC's Office of Student Accommodations with current (within three years of enrollment at TC) documentation of disability. Documentation consists of a statement or evaluation from a recognized medical professional. The Individualized Education Plan used for public school students may not substitute for the documentation specified above. High school personnel will make students aware that if a student has a documented disability that may influence their performance and for which they may require accommodations, the student must register (self-identify) with and provide documentation of their disability to the Office of Student Accommodations at Temple College.

**ELIGIBLE COURSES**

*Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85.*

1. An institution may offer any dual credit course as defined in §4.83(11) of this subchapter (relating to Definitions).

2. A dual credit course offered by an institution must be in the approved undergraduate course inventory of the institution.

3. An Early College High School may offer any dual credit course as defined in §4.83(11) or Texas Education Code, §28.009 and §130.008, subject to the provisions of subchapter G of this chapter (relating to Early College High Schools).

4. An institution may not offer a remedial or developmental education course for dual credit. This limitation does not prohibit an institution from offering a dual credit course that incorporates Non-Course-Based College Readiness content or other academic support designed to increase the likelihood of student success in the college course, including any course offered under §4.86 of this subchapter (relating to Optional Dual Credit Program: College Connect Courses).

**ACADEMIC POLICIES AND STUDENT SUPPORT SERVICES**

*Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85 (g).*

1. Regular academic policies applicable to courses taught at an institution's main campus must also apply to dual credit courses. These policies may include the appeal process for disputed grades, drop policy, the communication of grading policy to students, when the syllabus must be distributed, etc. Additionally, each institution is strongly encouraged to provide maximum flexibility to high school students in dual credit courses, consistent with the institution's academic policies, especially with regard to drop policies, to encourage students to attempt rigorous courses without potential long-term adverse impacts on students' academic records.

2. Each student in a dual credit course must be eligible to utilize support services that are appropriate for dual credit students. The institution is responsible for ensuring timely and efficient access to such

services (e.g., academic advising and counseling), to learning materials (e.g., library resources), and to other benefits for which the student may be eligible.

3. A student enrolled in a dual credit course at an institution shall file a degree plan with the institution as prescribed by Texas Education Code, §51.9685.

**TRANSCRIPTING OF CREDIT**

*Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85 (h).*
Each institution or high school shall immediately transcript the credit earned by a student upon a student's completion of the performance required in the course.

**FUNDING**

*Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.87.*

1. A public junior college may submit for funding any course that meets the requirements of this subchapter as provided in chapter 13, subchapter S of this title (relating to Community College Finance Program), or chapter 13, subchapter P of this title (relating to Community College Finance Program for Fiscal Year 2024).

2. A public junior college may report a course for funding for which a high school student may earn college credit that does not otherwise meet the requirements of this subchapter for the purpose of calculating base tier funding according to the provisions of chapter 13, subchapter S or subchapter P of this title. Such a course is not considered a dual credit or dual enrollment course under Title 19, Part 1.

3. An institution may submit a dual credit course for funding under the FAST program of chapter 13, subchapter Q of this title (relating to Financial Aid for Swift Transfer (FAST) Program) only if the course meets all requirements of that subchapter.

4. Nothing in this subchapter shall be construed to prohibit an Early College High School under Texas Education Code, §28.908, from participating in or receiving funding under the FAST program of chapter 13, subchapter Q of this title.

5. An institution may waive all or part of tuition and fees for a Texas high school student enrolled in a course for which the student may receive dual course credit.

*Funding Sources*

Tuition: Tuition and fees, less funds received from the State for FAST-eligible students, shall be the responsibility of the ISD.

Required Textbooks and Course Materials: Textbooks and any required course materials are the ISD's responsibility. Temple College will provide textbook information through the Temple College Bookstore and course syllabi every semester. Digital textbooks and access codes that are billed as a course section fee at the time of registration will be billed to the ISD by the College. The ISDs may purchase other textbooks and course materials from their preferred vendor.

Billing Procedures: The College will bill the ISD for tuition, fees, and digital textbooks and access codes less any amount received from the State for FAST eligible students. An invoice, detailing those charges along with any amounts received by the State for FAST-eligible students will be sent following the course census date(s). Payment shall be remitted by the ISD via check, ACH, or wire, in accordance with the terms set forth in Texas Government Code Chapter 2251.

Student Reimbursement: The ISD, at its sole discretion, may choose to require reimbursement from any student that is not FAST-eligible for tuition, fees, books, or other course materials paid for by the ISD. Student reimbursement shall not be a condition of the ISD's payment for the amounts billed by the College to the ISD. The ISD may not require reimbursement for any costs from students that are FAST-eligible. This section shall not apply to students taking dual credit in an early college high school model.

(Optional) Special Billing Provisions Related to Courses Taught by Embedded Instructors: Embedded Instructors are ISD teachers, credentialed by Temple College and compensated by their ISD. In exchange for the ISD offering stipends or other incentives to Embedded Instructors for the teaching of dual credit that are equivalent to those offered by the ISD to teachers teaching Advanced Placement (AP) or International Baccalaureate (IB) courses, the College agrees to waive the balance of tuition, out-of-district fees, and course fees (other than books, digital textbooks and access codes) related to courses taught by an Embedded Instructor. This waiver includes the full amount of tuition, out-of-district fees, and course fees for students that are not FAST-eligible, and the balance after State payment for any student that is FAST-eligible. For courses taught by Embedded Instructors, the College will bill the ISD only for direct costs incurred by the College on behalf of the ISD, such as, digital textbooks and access codes procured through the College or course materials purchased by the College on behalf of the ISD.
