

Dear TCA Family and Friends,

TCA's Board of Directors would like to share some highlights from our November 10th Board meeting:

Celebrate TCA

For the past eight years, TCA has proudly united all seven campuses in support of a chosen charity raising an average of \$75,000 each year. This year, our students selected CASA of the Pikes Peak Region, an organization that trains volunteers to advocate for abused and neglected children. To kick off this year's efforts, Central Elementary students took part in a Service Run on October 3rd, celebrating the Titans Creed value of "*Love, Respect, and Protect One Another*"—a perfect reflection of CASA's mission. Central students shared with the Board their running total of laps ran and their highlights of enjoying being with their friends and titan buddies during the run.

Accreditation, Assessment, and Achievement

Director of Academic Services, Wes Jolly, presented the annual TCA Report on Accreditation, Assessment, and Achievement, highlighting another outstanding year of academic success. Of the 39 areas assessed, TCA exceeded District 20's scores in 38 and ranked 1st or 2nd districtwide in 22 areas. TCA also earned the highest possible accreditation rating, continuing a tradition of excellence. Mr. Jolly noted that the past three years have been the strongest in his thirteen-year tenure, reflecting the hard work and dedication of our leadership team, teachers, students, and parents.

Capital Construction Update

Director Laura Moffat and Director of Operations Kevin Pacht shared exciting news about the progress of our East Campus construction! TCA has officially received the building permit, and work is underway with dirt moving and footings being poured beginning this week (see pictures below). With the continued good weather, the goal is to complete all exterior construction by February.

Leadership Conversation Committee

A letter of concern was received from leadership regarding the current culture within our schools. The Board expressed a desire to gain clarity and a deeper understanding of what school leadership is experiencing and its impact on our staff. After discussion, the Board decided to form a committee to hear directly from our leaders. Board Chair Kelli Hawkins and Director Phillip Fleming will begin meeting with our principals to gather insight and will report their findings to the Board.

As always, if you have any questions or comments, please email the board at talk2tcaboard@gmail.com.

Have a wonderful Thanksgiving,

Laura Moffat

Board Secretary
