

SAT & ACT Test Dates 2025-2026

High school juniors and seniors planning to attend college after graduation should take the ACT and/or the SAT as a part of their application process. Students are strongly encouraged to begin taking these tests by the spring of the junior year. Students may take the tests multiple times in the event that they need/want to improve their scores. Parents/students should explore admissions requirements for any colleges of interest to determine if a specific test is needed to complete the respective application. Please refer to the websites noted below for registration information as well as valuable test preparation materials.

* = Marcus High School is a testing location
