

# Crowley ISD Points of Pride

*Thursday, Oct. 30, 2025*

## 1. EVENT: Crowley vs. North Crowley Football

We're exactly one week away from the annual varsity football match-up between the North Crowley Panthers and Crowley Eagles.

Kickoff is set for 7 o'clock on Thursday, November 6th at Crowley ISD Multi-Purpose Stadium. It's also Senior Night for the Panthers, so there will be a lot to celebrate!

Tickets go on sale Monday, November 3rd exclusively through GoFan, so mark your calendars and secure your seats early! It will be a great evening to be loud and show your Crowley Pride!

---

## 2. NEW PROGRAM: Crowley ISD SPARKS

Crowley ISD is building a brand-new, all-abilities cheer, dance and performance crew for 3rd through 8th grade students! And we are actively recruiting Spark Members and Peer Partners!

**Spark Members** are students with special needs who want to perform and have fun, while **Peer Partners** are secondary students who want to serve, support and earn community service hours.

Interested students and families should apply online by Tuesday, Nov. 4, because there are limited spots available! I can't wait to see the Crowley ISD SPARKS in action!

---

## 3. CELEBRATION: Eagle Pantry at H.F. Stevens

On October 16th, a ribbon-cutting ceremony was held at H.F. Stevens Middle School to open the new Eagle Pantry.

The **in-school food bank** provides students and families access to fresh produce and nutritious groceries.

Thanks to our partnerships with **Tarrant Area Food Bank and The Big Good**, we're fueling a brighter future for our community!

---

## 4. SHOUT OUT: Chisholm Trail Education Foundation Golf Sponsors

We had a capacity crowd at the 20th annual Chisholm Trail Foundation Golf Tournament at Waterchase Golf Club!

Thank you to the 140 players and all of our sponsors who hit the links to help support the students of Crowley ISD. Together, the foundation was able to raise nearly 45-thousand dollars... making this event a hole in one!

## **5. EVENT: Future Freshmen Night**

Calling all 8th Grade Families! Mark your calendars to attend **Future Freshmen Night** on Monday, Nov. 10 at the Bill R. Johnson CTE Center.

Believe it or not, scheduling for ninth-grade classes will begin soon and this event will help you learn about all of the exciting opportunities available in high school!

You'll have the chance to meet face-to-face with teachers and coaches to learn more about fine arts, athletics, advanced academics, CTE Programs and more! Plus, there's an opportunity to get a **free Class of 2030 t-shirt** from your child's high school!

---

## **6. CELEBRATION: Trunk or Treat**

Event though Halloween is tomorrow night, we had an incredible turnout at the second annual Trunk or Treat, hosted by Crowley ISD Special Education!

It was a fun-filled event with creative trunks, candy, games and activities for all ages... and families had the chance to meet the dedicated educators who support our students each day.

Thank you to everyone who came out to celebrate community, inclusion and fun. It was just another was to shine a light on the Crowley Way: Excellence Every Day!
