WHAT IS A FAMILY-SCHOOL COMPACT?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Jointly Developed with Parents & Staff

The parents at Washington helped develop this Compact for Achievement. Schoolwide meetings are held each year to update the compact. Parents are welcome to contribute comments at any time.

Teachers, Parents, Students—Together for Success

College Readiness

At Washington we want all our students to graduate ready for college. We define college as any post-secondary education: 4-year colleges, 2-year colleges, military service, or apprenticeships. Two times per year parents will meet with their students' Advisory Teacher and review the following:

Your students' academic progress and goals for the school year

- Information about what your student is learning in each of their classes as well as samples of their work
- Your students' current level of college readiness
- Important steps your student needs to take to prepare for college

How to Support your student at home

- Use Schoology and CAMPUS to check your student's grade
 - Attend Readiness Conferences
- Attend your students' other school activities (band concerts, athletic events, School History Day, etc.).
