Questions and Answers:

***Required Question 1. The School Code does not specifically address what happens when board members violate their oath of office, nor does it create an opportunity to take legal action for such violations. Collins v. Bd. of Educ. of North Chicago Comm. Unit Sch. Dist. 187, 792 F.Supp.2d 992 (N.D.Ill. 2011). **Consult the board attorney for guidance when considering any type of disciplinary action or sanction against a board member.**

Depending on the situation, a board self-evaluation or private one-on-one meetings with a board member may be appropriate to address an issue relating to board member behavior (for a list of IASB workshops, see www.iasb.com/conference-training-and-events/training/workshops/). When a board member's violation of the oath of office also constitutes a willful failure to perform his or her official duties, the board may request the regional superintendent to remove the member from office. See sample policy 2:60, *Board Member Removal from Office*, available at PRESS Online by logging in at www.iasb.com, at footnote 2, for further discussion. A board member whose conduct violates conflict of interest laws may also be subject to criminal liability and removal from office. See sample policy 2:100, *Board Member Conflict of Interest*, and its footnotes, for additional information. In consultation with the board attorney, a board may also consider other actions to address a member's violation of the oath of office, such as publicly censuring a member. Houston Comm. College System v. Wilson, 595 U.S. 468 (2022) (holding that a college board of trustees did not violate a trustee's First Amendment rights when it adopted a resolution censuring him for "reprehensible" conduct). Other sanctions may be also warranted, depending on the facts. For example, in Earnest v. Jasper Cty. Comm. Unit Sch. Dist. No. 1, 371 F.Supp.3d 459 (S.D.Ill 2019), a court held a board member was not deprived of his liberty interest under the 14th Amendment when the board limited his access to confidential board packet information after it found the board member shared confidential personnel and student information with members of the public.

To encourage appropriate conduct, boards may wish to have their policy express potential consequences for violating the oath of office or the *Code of Conduct for Members of School Boards*. Such boards may add the following sentence to the end of this policy:

"A board member who fails to abide by the oath of office or the *Code* may be subject to action by the Board, including, but not limited to, formal censure and/or referral to the Regional Superintendent for removal from office under Board policy 2:60, *Board Member Removal from Office*."

Has the Board adopted this policy to include the optional sentence shown above?

- No. (Default)
- Yes. (For districts in suburban Cook County, IASB will replace "Regional Superintendent" with "appropriate Intermediate Service Center Executive Director.")

4:180 Pandemic Preparedness; Management; and Recovery

The Board of Education recognizes that the District will play an essential role along with the local health department and emergency management agencies in protecting the public's health and safety during a pandemic.PRESSPlus1

A pandemic is a global outbreak of disease. Pandemics happen when a new virus emerges to infect individuals and, because there is little to no pre-existing immunity against the new virus, it spreads sustainably.

To prepare the School District community for a pandemic, the Superintendent or designee shall: (1) learn and understand how the roles that the federal, State, and local government function; (2) form a pandemic planning team consisting of appropriate District personnel and community members to identify priorities and oversee the development and implementation of a comprehensive pandemic school action plan; and (3) build awareness of the final plan among staff, students, and community.

Questions and Answers:

***Required Question 1. The School Code does not specifically address what happens when board members violate their oath of office, nor does it create an opportunity to take legal action for such violations. Collins v. Bd. of Educ. of North Chicago Comm. Unit Sch. Dist. 187, 792 F.Supp.2d 992 (N.D.Ill. 2011). **Consult the board attorney for guidance when considering any type of disciplinary action or sanction against a board member.**

Depending on the situation, a board self-evaluation or private one-on-one meetings with a board member may be appropriate to address an issue relating to board member behavior (for a list of IASB workshops, see www.iasb.com/conference-training-and-events/training/workshops/). When a board member's violation of the oath of office also constitutes a willful failure to perform his or her official duties, the board may request the regional superintendent to remove the member from office. See sample policy 2:60, *Board Member Removal from Office*, available at PRESS Online by logging in at www.iasb.com, at footnote 2, for further discussion. A board member whose conduct violates conflict of interest laws may also be subject to criminal liability and removal from office. See sample policy 2:100, *Board Member Conflict of Interest*, and its footnotes, for additional information. In consultation with the board attorney, a board may also consider other actions to address a member's violation of the oath of office, such as publicly censuring a member. Houston Comm. College System v. Wilson, 595 U.S. 468 (2022) (holding that a college board of trustees did not violate a trustee's First Amendment rights when it adopted a resolution censuring him for "reprehensible" conduct). Other sanctions may be also warranted, depending on the facts. For example, in Earnest v. Jasper Cty. Comm. Unit Sch. Dist. No. 1, 371 F.Supp.3d 459 (S.D.Ill 2019), a court held a board member was not deprived of his liberty interest under the 14th Amendment when the board limited his access to confidential board packet information after it found the board member shared confidential personnel and student information with members of the public.

To encourage appropriate conduct, boards may wish to have their policy express potential consequences for violating the oath of office or the *Code of Conduct for Members of School Boards*. Such boards may add the following sentence to the end of this policy:

"A board member who fails to abide by the oath of office or the *Code* may be subject to action by the Board, including, but not limited to, formal censure and/or referral to the Regional Superintendent for removal from office under Board policy 2:60, *Board Member Removal from Office*."

Has the Board adopted this policy to include the optional sentence shown above?

- No. (Default)
- Yes. (For districts in suburban Cook County, IASB will replace "Regional Superintendent" with "appropriate Intermediate Service Center Executive Director.")

The Chief Investment Officer shall establish a list of authorized depositories, investment managers, dealers and brokers based upon the creditworthiness, reputation, minimum capital requirements, qualifications under State law, as well as a long history of dealing with public fund entities. The Board will review and approve the list at least annually.

Each institution designated as a depository shall, while acting as such depository, furnish the District with a copy of all statements of resources and liabilities or all reports of examination that it is required to furnish to the appropriate State or federal agency.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, demand deposit account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the District initiates the investment at or through a bank located in Illinois,

2. For financial institutions subject to the Ill. Community Reinvestment Act (ICRA), the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the ICRA;PRESSPlus1
3. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
4. The financial impact that the withdrawal or denial of District deposits might have on the financial institution;
5. The financial impact to the District as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and
6. Any additional burden on the District's resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

The District may not deposit public funds in a financial institution subject to the CRA unless the institution has a current rating of satisfactory or outstanding under the CRA. The District may not deposit public funds in a financial institution subject to the ICRA unless either: (1) the institution has a current rating of satisfactory under the ICRA at the time of deposit; or (2) the Ill. Dept. of Financial and Professional Regulation has not yet completed its initial examination of the institution under the ICRA. The District may not withdraw public funds from a financial institution prior to the date of maturity solely on the basis of a less than satisfactory rating under the ICRA. When investing or depositing public funds, the District may give preference to financial institutions that have a current rating of outstanding under the CRA and the ICRA.

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized in accordance with the Public Funds

Investment Act, 30 ILCS 235/. The Superintendent or designee shall keep the Board informed of collateral agreements.

Safekeeping and Custody Arrangements

The preferred method for safekeeping is to have securities registered in the District's name and held by a third-party custodian. Safekeeping practices should qualify for the Governmental Accounting Standards Board (GASB) Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the District's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the District, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The School Board will determine, after receiving the Superintendent's recommendation, which fund is in most need of interest income and the Superintendent shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

Ethics and Conflicts of Interest

The School Board and District officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence. Board members are bound by the Board policy 2:100, *Board Member Conflict of Interest*. No District employee having influence on the District's investment decisions shall:

Document Status: Draft Update

General Personnel

5:90 Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child shall immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873) (within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY). Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or designee shall notify local law enforcement. Negligent failure to report occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child sexual abuse material~~pornography~~[PRESSPlus1] on *electronic and information technology equipment*, as defined in 325 ILCS 5/4.5(a), shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a

student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and *Erin's Law* Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with Board policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

When the Superintendent has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of sexual misconduct under *Faith's Law*, and (2) that act resulted in the license holder's dismissal or resignation from the District, the Superintendent shall notify the State Superintendent and the appropriate Intermediate Service Center Executive Director in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent shall develop procedures for notifying a student's parents/guardians when a District employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in *Faith's Law*. The Superintendent shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in sexual misconduct is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated.

The Superintendent shall execute the recordkeeping requirements of *Faith's Law*.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board

may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in Board policy 2:20, *Powers and Duties of the Board of Education; Indemnification*.

LINCOLNWOOD SCHOOL DISTRICT 74 \ SECTION 7 - Students \

Document Status: Draft Update

Students

7:70 Attendance and Truancy

Definitions

Truant - A "truant" is a child subject to compulsory school attendance and who is absent without valid cause from such attendance for a school day or portion thereof.

Valid cause for absence - A child may be absent from school because of illness (including mental or behavioral health of the student), attendance at a verified medical or therapeutic appointment (including a victim services provider), observance of a religious holiday, death in the immediate family, attendance at a civic event, family emergency, situations beyond the control of the student as determined by the Board, other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety. For students who are parents, expectant parents, or victims of domestic or sexual violence, valid cause for absence also includes the fulfillment of a parenting responsibility and addressing circumstances resulting from domestic or sexual violence.

Chronic or habitual truant - A "chronic or habitual truant" is a child who is subject to compulsory school attendance and who is absent without valid cause from such attendance for 5 percent or more of the previous 180 regular attendance days.

Truant minor - A child to whom supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs, and other school and community resources have been provided and have failed to result in the cessation of chronic truancy or have been offered and refused.

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades

kindergarten through 8 in the public school regardless of age. Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant), (3) any child lawfully and necessarily employed, and (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day. Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

Unauthorized Unexcused Vacations

Parents are highly discouraged from taking vacations outside of the District's planned vacation times. Time out of school can be harmful to a child's progress, growth, and success in school. If a parent decides to take an extended vacation or a vacation when school is scheduled, it is not the responsibility of the teaching staff to prepare work for the trip.

Students who are on vacation for more than ten consecutive, regularly scheduled school days will be disenrolled. Upon return, parents will need to re-register their child(ren). Student grades will reflect missed assignments, tests, labs, performances, and other class learning activities.

Truancy[PRESSPlus1]

The School District will determine if the student is a truant, chronic or habitual truant, or a truant minor. The Superintendent shall direct the appropriate School District staff to develop diagnostic procedures to be used for identifying the cause(s) of unexcused student absenteeism. The diagnostic procedures shall include, but not be limited to, interviews with the student, his or her parent(s)/guardian(s), and any school official(s) or other people who may have information.

The following supportive services may be offered to truant or chronically truant students:

- parent-teacher conferences

- student and/or family counseling
- information about community agency services

If truancy continues after supportive services have been offered, the Building Principal shall refer the matter to the Superintendent. The Superintendent may call upon the resources of outside agencies, such as the juvenile officer of the local police department or the truant office of the North Cook Intermediate Service Center. The Board of Education, Superintendent, School District administrators, and teachers shall assist and furnish such information as they have to aid truant officers.

No punitive action, including out-of-school suspensions, expulsions, or court action shall be taken against a chronic truant for his or her truancy unless available supportive services and other school resources have been provided to the student.

Absence Notification

A student's parent(s)/guardian(s) must: (1) upon the child's enrollment, provide telephone numbers to the Building Principal and update them as necessary, and (2) authorize all absences and notify the school in advance or at the time of the child's absence.

If a student is absent without prior authorization by the parent(s)/guardian(s), the Building Principal or designee shall make a reasonable effort to notify the parent(s)/guardian(s) of the child's absence within 2 hours after the first class by telephoning the numbers given.

Student Employment

The Superintendent shall develop procedures, and present them to the Board of Education for its information, for excusing from attendance those students necessarily and lawfully employed.

Updating

Pursuant to State law and Board policy 2:240, *Board Policy Development*, the Board updates this policy at least once every two years. The Superintendent or designee shall assist the Board with its update.

Board of Education

2:270 Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited

NEW

Discrimination and harassment on the basis of race, color, or national origin negatively affect a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from such discrimination and harassment is an important District goal. The District does not discriminate on the basis of actual or perceived race, color, or national origin in any of its education programs or activities, and it complies with federal and State non-discrimination laws.

Examples of Prohibited Conduct

Examples of conduct that may constitute discrimination on the basis of race, color, or national origin include: disciplining students more harshly and frequently because of their race, color, or national origin; denying students access to high-rigor academic courses, extracurricular activities, or other educational opportunities based on their race, color, or national origin; denying language services or other educational opportunities to English learners; and assigning students special education services based on a student's race, color, or national origin.

Harassment is a form of prohibited discrimination. Examples of conduct that may constitute harassment on the basis of race, color, or national origin include: the use of racial, ethnic or ancestral slurs or stereotypes; taunts; name-calling; offensive or derogatory remarks about a person's actual or perceived race, color, or national origin; the display of racially-offensive symbols; racially-motivated physical threats and attacks; or other hateful conduct.

Making a Report or Complaint; Investigation Process

Individuals are encouraged to promptly report claims or incidentsces PRESSPlus1 of discrimination or harassment based on race, color, or national origin to the Nondiscrimination Coordinator, a Complaint Manager, or any employee with whom the student is comfortable speaking. Reports under this policy will be

processed under Board policy 2:260, *Uniform Grievance Procedure*.

Any District employee who receives a report or complaint of discrimination or harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

This policy does not impair or otherwise diminish the existing rights of unionized employees to request an exclusive bargaining representative to be present during any investigatory interviews, nor does this policy diminish any rights available under an applicable collective bargaining agreement, including, but not limited to, a grievance procedure.

Federal and State Agencies

If the District fails to take necessary corrective action to stop harassment based on race, color, or national origin, further relief may be available through the Ill. Dept. of Human Rights (IDHR) or the U.S. Dept. of Education's Office for Civil Rights. To contact IDHR, go to: https://dhr.illinois.gov/about-us/contact-idhr.html or call (312) 814-6200 (Chicago) or (217) 785-5100 (Springfield).

Prevention and Response Program

The Superintendent or designee shall establish a prevention and response program to respond to complaints of discrimination based on race, color, and national origin, including harassment, and retaliation. The program shall include procedures for responding to complaints which:

1. Reduce or remove, to the extent practicable, barriers to reporting discrimination, harassment, and retaliation;
2. Permit any person who reports or is the victim of an incident of alleged discrimination, harassment, or retaliation to be accompanied when making a report by a support individual of the person's choice who complies with the District's policies and rules;
3. Permit anonymous reporting, except that an anonymous report may not be the sole basis of any disciplinary action;
4. Offer remedial interventions or take such disciplinary action as may be

appropriate on a case-by-case basis;

5. Offer, but do not require or unduly influence, a person who reports or is the victim of an incident of harassment or retaliation the option to resolve allegations directly with the accused; and
6. Protects a person who reports or is the victim of an incident of harassment or retaliation from suffering adverse consequences as a result of a report of, investigation of, or a response to the incident.

Policy Posting and Distribution

This policy shall be posted on the District's website. The Superintendent shall annually inform staff members of this policy by posting it in a prominent and accessible location such as the District website, employee handbook, staff intranet site, and/or in other areas where policies and rules of conduct are made available to staff. The Superintendent shall annually inform students and their parents/guardians of this policy by posting it on the District's website and including an age-appropriate summary of the policy in the student handbook(s).

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, up to and including discharge.

Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, including but not limited to, suspension and expulsion consistent with Board policy 7:190, *Student Behavior*.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to remedial and/or disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints, participating in the complaint process, or otherwise providing information about discrimination or harassment based on race, color, or national origin is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Individuals should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

4:140 Waiver of Student Fees

The Superintendent will recommend to the Board for adoption what fees, if any, will be charged for the use of textbooks, consumable materials, extracurricular activities, and other school fees. Students will pay fines for loss of school books or other school-owned items of personal property assigned or loaned to the students.

Fees for textbooks, other instructional materials, as well as fines for the loss or damage of school property are waived for students who meet the eligibility criteria for a waiver contained in this policy. In order that no student be denied educational services or academic credit due to the inability of parents/guardians to pay student fees and fines, the Superintendent will recommend to the Board for adoption what additional fees and fines, if any, the District will waive for students who meet the eligibility criteria for a waiver.

Notification

The Superintendent shall ensure that a notice of waiver applicability is provided to parents/guardians with every bill for fees and/or fines, and that applications for waivers are widely available and distributed according to State law and Ill. State Board of Education (ISBE) rule, and that provisions for assisting parents/guardians in completing the application are available.

Eligibility Criteria

A student shall be eligible for a fee and fine waiver when:

1. The student currently lives in a household that meets the same income guidelines, with the same limits based on household size, that are used for the free meals program;
2. The student's parents/guardians are veterans or active-duty military personnel with income at or below 200% of the federal poverty line; or
3. The student is homeless, as defined in the McKinney-Vento Homeless Assistance Act (42 U.S.C. §11434a).

The Superintendent or designee will give additional consideration when one or

more of the following factors are present:

- Illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Seasonal unemployment;
- Emergency situations;
- When one or more of the parents/guardians are involved in a work stoppage.

Verification

The Superintendent or designee shall establish a process for determining a student's eligibility for a waiver of fees and fines in accordance with State law requirements.

If a student receiving a waiver is found to be no longer eligible during the school year, the Superintendent or designee shall notify the student's parent/guardian and charge the student a prorated amount based upon the number of school days remaining in the school year.

Determination and Appeal

The Superintendent or designee will notify the parent(s)/guardian(s) promptly as to whether the fee waiver request has been granted or denied. The denial of a fee waiver request may be appealed to the Superintendent by submitting the appeal in writing to the Superintendent within 14 days of the denial. The Superintendent or designee shall respond within 14 days of receipt of the appeal. The Superintendent's decision may be appealed to the School Board. The decision of the Board is final and binding.

Questions regarding the fee waiver request process should be addressed to the Building Principal's office.

State law does not prohibit or restrict the District from sending or receiving information about the citizenship or immigration status of an individual to or from the U.S. Dept. of Homeland Security or any other governmental entity under 8 U.S.C. §§1373 and 1644.

PRESSPlus Comments

PRESSPlus 1. This policy is renamed and rewritten in response to 105 ILCS 5/22-105, added by P.A. 104-288, eff. 1-1-26, requiring districts to establish a policy by 7-1-26 regarding agency and law enforcement requests at school, and for continuous improvement. See the footnotes of this sample policy for more information, available at PRESS Online by logging in at www.iasb.com.

By 7-1-26, districts are also required to develop procedures for reviewing and authorizing requests from *law enforcement agents* attempting to enter a school

or school facility. 105 ILCS 5/22-105(b), added by P.A. 104-288, eff. 1-1-26, defines *law enforcement agent* as "an agent of federal, State, or local law enforcement authorized with the power to arrest or detain individuals or manage the custody of detained individuals for a law enforcement purpose, including civil immigration enforcement." *Law enforcement agent* does not include a school resource officer as defined in 105 ILCS 5/10-20.68. Id. See sample administrative procedure 7:150-AP, *Managing Agency and Law Enforcement Requests*. **Issue 120, October 2025**

PRESSPlus 2. Required by 105 ILCS 5/22-105(d), added by P.A. 104-288, eff. 1-1-26. **Issue 120, October 2025**

PRESSPlus 3. Districts must also still comply with federal and State laws, e.g., FERPA and the Ill. School Student Records Act, governing the disclosure of student records or information. **Consult the board attorney regarding legal requirements when requests are received from federal law enforcement agencies. Issue 120, October 2025**

PRESSPlus 4. With the exception of items #6 and #7, the listed standards for procedures are at the local school board's discretion and may be omitted. For procedures addressing #1-6, refer to the *Guidelines for Interviews of Students*, published by the Ill. Council of School Attorneys (*ICSA Guidelines*) at: www.iasb.com/policy-services-and-school-law/guidance-and-resources/guidelines-for-interviews-of-students/ in consultation with the board attorney. For procedures addressing the items listed in #7, refer to sample administrative procedure 7:150-AP, *Managing Agency and Law Enforcement Requests*, available at PRESS Online by logging in at www.iasb.com, in consultation with the board attorney. Procedures covering item #7 are required by 105 ILCS 5/22-105, added by P.A. 104-288, eff. 1-1-26, and must be implemented by 7-1-26. **Issue 120, October 2025**

PRESSPlus 5. 105 ILCS 5/22-88. The statute does not specifically assign these duties to a school official, but instead states that "a law enforcement officer, school resource officer, or other school security personnel" must ensure these conditions are met before detaining and questioning a student on school grounds. For ease of implementation, this policy assigns these duties to a school official as they routinely contact parents/guardians and can arrange for the presence of school personnel during an interview. See the *ICSA Guidelines*

for further discussion of school officials' responsibilities when law enforcement authorities interview students at school. **Issue 120, October 2025**

PRESSPlus 6. A *trained law enforcement officer* is someone who: (1) received training in youth investigations approved or certified by his/her law enforcement agency or under 50 ILCS 705/10.22, or (2) is a juvenile police officer per 705 ILCS 405/1-3(17). 105 ILCS 5/22-88(b)(4). **Issue 120, October 2025**

PRESSPlus 7. 105 ILCS 5/22-105(c)(4), added by P.A. 104-288, eff. 1-1-26, requires a district to develop procedures that: (1) designate authorized personnel at the school and the superintendent's office or school administrative office who may contact the board attorney, (2) require the designated authorized person and board attorney to work together to review requests from law enforcement agents to enter a school or school facility, including under judicial warrants, nonjudicial warrants, and subpoenas, (3) require the designated authorized personnel to monitor or accompany and to document all interactions with law enforcement agents while on the school's premises, and (4) require the designated authorized person to notify and seek consent from a student's parent/guardian, or from the student if the student is 18 years old or older or emancipated, if a law enforcement agent requests access to a student for immigration enforcement purposes, unless such access is in compliance with a judicial warrant or subpoena that restricts the disclosure of the information to the student's parent/guardian.

Regarding requirement #2 in the paragraph immediately above, ensure that the superintendent's authority to designate others to contact the board attorney aligns with policy 2:160, *Board Attorney*. The superintendent will need to work with the board attorney to create a list of administrators authorized to consult directly with the board attorney if any agency or law enforcement request is received. Factors to consider when drafting this list include: the type of request received, the type of agency or law enforcement unit making the request, whether or not a warrant is presented, and whether or not exigent circumstances are claimed. **Issue 120, October 2025**

Document Status: Review and Monitoring

Instruction

6:280 Grading and Promotion

The administration and professional staff shall establish a system of grading and reporting academic achievement to students and their parents and guardians. The system shall also determine when promotion requirements are met. The decision to promote a student to the next grade level shall be based on successful completion of the curriculum, attendance, and performance on the standardized tests required by the Ill. State Board of Education (ISBE) and/or other assessments. A student shall not be promoted based upon age or any other social reason not related to academic performance. The administration shall determine remedial assistance for a student who is not promoted.[PRESSPlus1]

When the retention of a student is considered, the following should be studied and/or considered:

- chronological age
- academic achievement
- mental capacity
- social adjustment
- emotional stability
- physical development
- work habits
- requirements of the next grade

Every teacher shall maintain an evaluation record for each student in the teacher's classroom. The final grade assigned by the teacher cannot be changed by a District administrator without notifying the teacher. Reasons for changing a student's final grade include:

- a miscalculation of test scores;
- a technical error in assigning a particular grade or score;
- the teacher agrees to allow the student to do extra work that may impact the grade;

- an inappropriate grading system used to determine the grade; or
- an inappropriate grade based on an appropriate grading system.

Should a grade change be made, the administrator making the change must sign the changed record.

PRESSPlus Comments

PRESSPlus 1. This policy is suggested to be reviewed by the Board. According to policy 2:240, *Board Policy Development*, "[t]he Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required." IASB suggests that each policy in the Board's policy manual be reviewed at a minimum of every five years. As part of the review, the Board may choose to:

- Compare the adopted version to the current PRESS sample (available at PRESS Online by logging in at www.iasb.com), discussing any differences and/or options noted in the footnotes to determine whether local changes are necessary
- Update the policy language due to changes in local conditions
- Make no changes, but update the adoption date to reflect that the policy has been reviewed and re-adopted
