Questions and Answers:

***Required Question 1. The School Code does not specifically address what happens when board members violate their oath of office, nor does it create an opportunity to take legal action for such violations. *Collins v. Bd. of Educ. of North Chicago Comm. Unit Sch. Dist. 187*, 792 F.Supp.2d 992 (N.D.Ill. 2011). **Consult the board attorney for guidance when considering any type of disciplinary action or sanction against a board member.**

Depending on the situation, a board self-evaluation or private one-on-one meetings with a board member may be appropriate to address an issue relating to board member behavior (for a list of IASB workshops, see www.iasb.com/conference-training-and-events/training/workshops/). When a board member's violation of the oath of office also constitutes a willful failure to perform his or her official duties, the board may request the regional superintendent to remove the member from office. See sample policy 2:60, *Board Member Removal from Office*, available at PRESS Online by logging in at www.iasb.com, at footnote 2, for further discussion. A board member whose conduct violates conflict of interest laws may also be subject to criminal liability and removal from office. See sample policy 2:100, *Board Member Conflict of Interest*, and its footnotes, for additional information. In consultation with the board attorney, a board may also consider other actions to address a member's violation of the oath of office, such as publicly censuring a member. *Houston Comm. College System v. Wilson*, 595 U.S. 468 (2022) (holding that a college board of trustees did not violate a trustee's First Amendment rights when it adopted a resolution censuring him for "reprehensible" conduct). Other sanctions may be also warranted, depending on the facts. For example, in *Earnest v. Jasper Cty. Comm. Unit Sch. Dist. No. 1*, 371 F.Supp.3d 459 (S.D.Ill 2019), a court held a board member was not deprived of his liberty interest under the 14th Amendment when the board limited his access to confidential board packet information after it found the board member shared confidential personnel and student information with members of the public.

To encourage appropriate conduct, boards may wish to have their policy express potential consequences for violating the oath of office or the *Code of Conduct for Members of School Boards*. Such boards may add the following sentence to the end of this policy:

"A board member who fails to abide by the oath of office or the *Code* may be subject to action by the Board, including, but not limited to, formal censure and/or referral to the Regional Superintendent for removal from office under Board policy 2:60, *Board Member Removal from Office*."

Has the Board adopted this policy to include the optional sentence shown above?

- No. (Default)
 - Yes. (For districts in suburban Cook County, IASB will replace "Regional Superintendent" with "appropriate Intermediate Service Center Executive Director.")

4:180 Pandemic Preparedness; Management; and Recovery

The Board of Education recognizes that the District will play an essential role along with the local health department and emergency management agencies in protecting the public's health and safety during a pandemic. [PRESSPlus1](#)

A pandemic is a global outbreak of disease. Pandemics happen when a new virus emerges to infect individuals and, because there is little to no pre-existing immunity against the new virus, it spreads sustainably.

To prepare the School District community for a pandemic, the Superintendent or designee shall: (1) learn and understand how the roles that the federal, State, and local government function; (2) form a pandemic planning team consisting of appropriate District personnel and community members to identify priorities and oversee the development and implementation of a comprehensive pandemic school action plan; and (3) build awareness of the final plan among staff, students, and community.

Emergency School Closing

In the case of a pandemic, the Governor may declare a disaster due to a public health emergency that may affect any decision for an emergency school closing. Decisions for an emergency school closing will be made by the Superintendent in consultation with and, if necessary, at the direction of the Governor, Ill. Dept. of Public Health, District's local health department, emergency management agencies, and/or Intermediate Service Center.

During an emergency school closing, the Board President and the Superintendent may, to the extent the emergency situation allows, examine existing Board policies pursuant to Policy 2:240, *Board Policy Development*, and recommend to the Board for consideration any needed amendments or suspensions to address mandates that the District may not be able to accomplish or implement due to a pandemic.

Board Meeting Procedure; No Physical Presence of Quorum and Participation

by Audio or Video

A disaster declaration related to a public health emergency may affect the Board's ability to meet in person and generate a quorum of members who are physically present at the location of a meeting. Policy 2:220, *Board of Education Meeting Procedure*, governs Board meetings by video or audio conference without the physical presence of a quorum.

Payment of Employee Salaries During Emergency School Closures

The Superintendent shall consult with the Board to determine the extent to which continued payment of salaries and benefits will be made to the District's employees, pursuant to Board policies 3:40, *Superintendent*, 3:50, *Administrative Personnel Other Than the Superintendent*, 5:35, *Compliance with the Fair Labor Standards Act*, 5:200, *Terms and Conditions of Employment and Dismissal*, and 5:270, *Employment At-Will, Compensation, and Assignment*, and consistent with: (1) applicable laws, regulations, federal or State or local emergency declarations, executive orders, and agency directives; (2) collective bargaining agreements and any bargaining obligations; and (3) the terms of any grant under which an employee is being paid.

Suspension of In-Person Instruction; Remote and/or Blended Remote Learning Day Plan(s)

When the Governor declares a disaster due to a public health emergency pursuant to [20 ILCS 3305/7](#), and the State Superintendent of Education declares a requirement for the District to use *Remote Learning Days* or *Blended Remote Learning Days*, the Superintendent shall approve and present to the Board for adoption a Remote and/or Blended Remote Learning Day Plan (Plan) that:

1. Recommends to the Board for consideration any suspensions or amendments to curriculum-related policies to reduce any Board-required graduation or other instructional requirements in excess of minimum curricular requirements specified in School Code that the District may not be able to provide due to the pandemic;
2. Implements the requirements of [105 ILCS 5/10-30](#); and
3. Ensures a plan for periodic review of and/or amendments to the Plan when needed and/or required by statute, regulation, or State guidance.

- Update the policy language due to changes in local conditions

- Make no changes, but update the adoption date to reflect that the policy has been reviewed and re-adopted

Questions and Answers:

***Required Question 1. The School Code does not specifically address what happens when board members violate their oath of office, nor does it create an opportunity to take legal action for such violations. *Collins v. Bd. of Educ. of North Chicago Comm. Unit Sch. Dist. 187*, 792 F.Supp.2d 992 (N.D.Ill. 2011). **Consult the board attorney for guidance when considering any type of disciplinary action or sanction against a board member.**

Depending on the situation, a board self-evaluation or private one-on-one meetings with a board member may be appropriate to address an issue relating to board member behavior (for a list of IASB workshops, see www.iasb.com/conference-training-and-events/training/workshops/). When a board member's violation of the oath of office also constitutes a willful failure to perform his or her official duties, the board may request the regional superintendent to remove the member from office. See sample policy 2:60, *Board Member Removal from Office*, available at PRESS Online by logging in at www.iasb.com, at footnote 2, for further discussion. A board member whose conduct violates conflict of interest laws may also be subject to criminal liability and removal from office. See sample policy 2:100, *Board Member Conflict of Interest*, and its footnotes, for additional information. In consultation with the board attorney, a board may also consider other actions to address a member's violation of the oath of office, such as publicly censuring a member. *Houston Comm. College System v. Wilson*, 595 U.S. 468 (2022) (holding that a college board of trustees did not violate a trustee's First Amendment rights when it adopted a resolution censuring him for "reprehensible" conduct). Other sanctions may be also warranted, depending on the facts. For example, in *Earnest v. Jasper Cty. Comm. Unit Sch. Dist. No. 1*, 371 F.Supp.3d 459 (S.D.Ill 2019), a court held a board member was not deprived of his liberty interest under the 14th Amendment when the board limited his access to confidential board packet information after it found the board member shared confidential personnel and student information with members of the public.

To encourage appropriate conduct, boards may wish to have their policy express potential consequences for violating the oath of office or the *Code of Conduct for Members of School Boards*. Such boards may add the following sentence to the end of this policy:

"A board member who fails to abide by the oath of office or the *Code* may be subject to action by the Board, including, but not limited to, formal censure and/or referral to the Regional Superintendent for removal from office under Board policy 2:60, *Board Member Removal from Office*."

Has the Board adopted this policy to include the optional sentence shown above?

- No. (Default)
 - Yes. (For districts in suburban Cook County, IASB will replace "Regional Superintendent" with "appropriate Intermediate Service Center Executive Director.")

The District's fiscal year is from July 1 until June 30. The Superintendent shall present to the Board of Education, no later than the first regular meeting in August, a tentative budget with appropriate explanation. This budget shall represent the culmination of an ongoing process of planning for the fiscal support needed for the District's educational program. The District's budget shall be entered upon the Ill. State Board of Education's (ISBE) *School District Budget Form*. To the extent possible, the tentative budget shall be balanced as defined by ISBE guidelines. The Superintendent shall complete a tentative deficit reduction plan if one is required by ISBE guidelines.

Preliminary Adoption Procedures

After receiving the Superintendent or designee's proposed budget, the Board of Education sets the date, place, and time for:

1. A public hearing on the proposed budget, and
2. The proposed budget to be available to the public for inspection.

The Board of Education Secretary or designee shall make arrangements to

publish a notice in a local newspaper stating the date, place, and time of the proposed budget's availability for public inspection and the public hearing. The proposed budget shall be available for public inspection at least 30 days before the time of the budget hearing.

At the public hearing, the proposed budget shall be reviewed including the cash reserve balance of all funds held by the District related to its operational levy and, if applicable, any obligations secured by those funds, and the public shall be invited to comment, question, or advise the Board of Education.

Final Adoption Procedures

The Board of Education adopts a budget before the end of the first quarter of each fiscal year (September 30), or by such alternative procedure as State law may define. 2. Notify parents/guardians that the budget is posted and provide the website's address.

5. Present a written report that includes the annual average expenditures of the District's operational funds for the previous three fiscal years at or before the board meeting at which the Board adopts its levy. In the event the District's combined cash reserve balance of its operational funds is

more than 2.5 times the annual average expenditures of those funds for the previous three fiscal years, the Board will adopt and file with ISBE a reserve reduction plan by December 31.

6. Make all preparations necessary in order for the Board to timely file its Certificate of Tax Levy, including preparations to comply with the Truth in Taxation Act, and file a Certificate of Tax Levy with the County Clerk on or before the last Tuesday in December. The Certificate lists the amount of property tax money to be provided for the various funds in the budget.
7. Submit the annual budget, a deficit reduction plan if one is required by ISBE guidelines, and other financial information to ISBE according to its requirements.

Any amendments to the budget or certificate of tax levy shall be made as provided in the School Code and Truth In Taxation Act.

Budget Amendments

The Board of Education may amend the budget by the same procedure as provided for in the original adoption.

Implementation

The Superintendent or designee shall implement the District's budget and provide the Board of Education with a quarterly financial report that includes all deficit fund balances. The amount budgeted as the expenditure in each fund is the maximum amount that may be expended for that category, except when a transfer of funds is authorized by the Board of Education.

Sustainable Investing Act, [30 ILCS 238/](#).

Selection of Depositories, Investment Managers, Dealers, and Brokers

The Chief Investment Officer shall establish a list of authorized depositories, investment managers, dealers and brokers based upon the creditworthiness, reputation, minimum capital requirements, qualifications under State law, as well as a long history of dealing with public fund entities. The Board will review and approve the list at least annually.

In order to be an authorized depository, each institution must submit copies of the last two sworn statements of resources and liabilities or reports of examination that the institution is required to furnish to the appropriate State or federal agency. Each institution designated as a depository shall, while acting as such depository, furnish the District with a copy of all statements of resources and liabilities or all reports of examination that it is required to furnish to the appropriate State or federal agency.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, demand deposit account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the District initiates the investment at or through a bank located in Illinois,

and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

The District shall consider a financial institution's record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. The District may consider factors including:

1. For financial institutions subject to the federal Community Reinvestment Act of 1977 (CRA), the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the CRA;
2. For financial institutions subject to the Ill. Community Reinvestment Act (ICRA), the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the ICRA. [PRESSPlus1](#)
3. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
4. The financial impact that the withdrawal or denial of District deposits might have on the financial institution;
5. The financial impact to the District as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and
6. Any additional burden on the District's resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

The District may not deposit public funds in a financial institution subject to the CRA unless the institution has a current rating of satisfactory or outstanding under the CRA. The District may not deposit public funds in a financial institution subject to the ICRA unless either: (1) the institution has a current rating of satisfactory under the ICRA at the time of deposit; or (2) the Ill. Dept. of Financial and Professional Regulation has not yet completed its initial examination of the institution under the ICRA. The District may not withdraw public funds from a financial institution prior to the date of maturity solely on the basis of a less than satisfactory rating under the ICRA. When investing or depositing public funds, the District may give preference to financial institutions that have a current rating of outstanding under the CRA and the ICRA.

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized in accordance with the Public Funds

Investment Act, [30 ILCS 235/](#). The Superintendent or designee shall keep the Board informed of collateral agreements.

Safekeeping and Custody Arrangements

The preferred method for safekeeping is to have securities registered in the District's name and held by a third-party custodian. Safekeeping practices should qualify for the Governmental Accounting Standards Board (GASB) Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the District's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the District, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The School Board will determine, after receiving the Superintendent's recommendation, which fund is in most need of interest income and the Superintendent shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

Ethics and Conflicts of Interest

The School Board and District officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence. The inventory record of supplies and equipment shall include a description of each item, quantity, location, purchase date, and cost or estimated replacement cost, unless the supplies and equipment are acquired by the District pursuant to a federal or State grant award, in which case the inventory record shall also include the information required by [2 C.F.R. §200.313](#), if applicable. The Superintendent shall establish procedures for the management of property acquired by the District under grant awards that comply with federal and State law.

Capitalization Threshold

To be considered a capital asset for financial reporting purposes, a capital item must be at or above a capitalization threshold of \$10,000 and have an estimated useful life greater than one year.

Disposition of District Property

The Superintendent or designee shall notify the Board, as necessary, of the following so that the Board may consider its disposition: (1) District personal property (property other than buildings and land) that is no longer needed for school purposes, and (2) school site, building, or other real estate that is unnecessary, unsuitable, or inconvenient. Taxable Fringe Benefits

The Superintendent or designee shall: (1) require that all use of District property or equipment by employees is for the District's convenience and best interests unless it is a Board-approved fringe benefit, and (2) ensure compliance with the Internal Revenue Service regulations regarding when to report an employee's personal use of District property or equipment as taxable compensation.

Controls for Revolving Funds and Petty Cash

Revolving funds and the petty cash system are established in Board policy 4:50, *Payment Procedures*. The Superintendent shall: (1) designate a custodian for each revolving fund and petty cash fund, (2) obtain a bond for each fund custodian, and (3) maintain the funds in compliance with this policy, State law, and ISBE rules. A check for the petty cash fund may be drawn payable to the designated petty cash custodian. Bank accounts for revolving funds are limited to a maximum balance of \$1,000. All expenditures from these bank accounts must be directly related to the purpose for which the account was established and supported with documentation, including signed invoices or receipts. All deposits into these bank accounts must be accompanied with a clear description of their intended purpose. The Superintendent or designee shall include checks written to reimburse revolving funds on the Board's monthly listing of bills indicating the recipient and including an explanation.

Control Requirements for Checks

The Board must approve all bank accounts opened or established in the District's or a District school's name or with the District's Federal Employer Identification Number. All checks issued by the School District must be signed by either the Treasurer or Board President, except that checks from accounts containing student activity funds or fiduciary funds and checks from revolving accounts may be signed by their respective account custodians.

Internal Controls

The Superintendent is primarily responsible for establishing and implementing a system of internal controls for safeguarding the District's financial condition; the Board, however, will oversee these safeguards. The control objectives are to ensure efficient business and financial practices, reliable financial reporting, and compliance with State law and Board policies, and to prevent losses from fraud, waste, and abuse, as well as employee error, misrepresentation by third parties, or other imprudent employee action.

The Superintendent or designee shall annually audit the District's financial and business operations for compliance with established internal controls and provide the results to the Board. The Board may from time-to-time engage a third-party to audit internal controls in addition to the annual audit.

LINCOLNWOOD SCHOOL DISTRICT 74 \ SECTION 5 - Personnel \ General Personnel \

Document Status: Draft Update

General Personnel

5:90 Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child shall immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873) (within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY). Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or designee shall notify local law enforcement. Negligent failure to report occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child sexual abuse material pornography [PRESSPlus1](#) on *electronic and information technology equipment*, as defined in 325 ILCS 5/4.5(a), shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a

student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and *Erin's Law* Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in [720 ILCS 5/11-9.1A](#), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with Board policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

When the Superintendent has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of sexual misconduct under *Faith's Law*, and (2) that act resulted in the license holder's dismissal or resignation from the District, the Superintendent shall notify the State Superintendent and the appropriate Intermediate Service Center Executive Director in writing, providing the III. Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent shall develop procedures for notifying a student's parents/guardians when a District employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in *Faith's Law*. The Superintendent shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in sexual misconduct is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated.

The Superintendent shall execute the recordkeeping requirements of *Faith's Law*.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under [105 ILCS 5/21B](#), has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board

may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in Board policy 2:20, *Powers and Duties of the Board of Education; Indemnification*.

PRESSPlus Comments

PRESSPlus 1. Stricken from #1 and added below. **Issue 120, October 2025**

PRESSPlus 2. Drug abuse prevention education is no longer part of the Comprehensive Health Education Program (CHEP) and is therefore listed as a separate item. P.A. 104-391 consolidated drug prevention education related topics into one new section of the School Code, 105 ILCS 5/27-255. **Issue 120, October 2025**

PRESSPlus 3. Updated in response to 105 ILCS 5/27-410 (scheduled for repeal on 7-1-27), amended by P.A. 104-399, eff. 1-1-26, and renumbered by P.A. 104-391. **Issue 120, October 2025**

PRESSPlus 4. Required by 105 ILCS 5/27-405(b), added by P.A. 104-391. Boards locally determine the scope and duration of this unit of instruction. Topics to include in online safety instruction are not mandated, but the following are recommended: (1) safe and responsible use of the Internet, social networking websites, electronic mail, online messaging and posting, and other means of communication on the Internet; (2) recognizing, avoiding, and reporting online solicitations of students, their classmates, and their friends by sexual predators; (3) risks of transmitting personal information on the Internet; (4) recognizing and avoiding unsolicited or deceptive communications received online; (5) reporting online harassment, cyber-bullying, and illegal activities and communications on the Internet; (6) the legal penalties and social ramifications for illicit actions taken online, including infringement of copyright laws and the creation and sharing of harmful, defamatory, or sexually explicit content; and (7) the relationship between responsible use of online resources and social-emotional health. *Online safety* means safe practices relating to an individual's or group's use of the Internet, social networking website, electronic mail, online messaging and posting, and other means of communication on the Internet. **Issue 120, October 2025**

PRESSPlus 8. 105 ILCS 5/27-815, renumbered by P.A. 104-391, also requires safety instruction in each of grades 1 through 8, equivalent to one class period each week. Neither CHEP nor 105 ILCS 5/27-815 (as it pertains to grades 1-8) define safety education or explain how it differs from the optional safety education that boards can offer under 105 ILCS 5/27-1020, renumbered by P.A. 104-391, though districts could draw from the topics listed in that section. **Issue 120, October 2025**

PRESSPlus 9. Consent education under CHEP is limited to the definition of *consent* under 105 ILCS 5/27-215(a), added by P.A. 104-391; this basic consent instruction is separate from the more extensive, optional consent education under 105 ILCS 5/27-1010, amended and renumbered by P.A. 104-391.
