Project Summary and Objective

The purpose of this project is to provide a safe learning and working environment for the Murrieta Valley Unified School District staff and students. As part of our department's deferred maintenance plan, we need to replace the current roof system in Building "F" at Dorothy McElhinney Middle School. This is a Public Works project; Prevailing Wages and Payment & Performance Bonds will be required. Furthermore, the lowest, responsive and responsible bidder will be required to be registered with the DIR and a project registration number will be provided.

Contractor Qualifications

Contractor Qualifications

The **Roofing Contractor must be a Weatherweld certified installer, and** must demonstrate the **capability, resources, and appropriate means and methods** to execute all tasks as outlined in the specifications. It is the contractor's responsibility to thoroughly review and understand the specifications to ensure that all project milestones and durations are met.

The **project schedule** is as follows:

- **Commencement Date**: June 15, 2026
- **Completion and Turnover Date**: July 24, 2026

The project must be delivered as a **fully complete and operational facility** by the turnover date.

Dimensions and Measurements

- All dimensions and measurements are approximate and should be verified by an onsite inspection. However, responsibility for verification by whatever means is necessary in the opinion of the bidder is their responsibility. Bidders will not be allowed to increase prices based on failure to confirm actual square footage, obstructions or other conditions.
