- It is Week of Giving Condors and we will have fun dress up days and community service opportunities throughout the week. In this season of giving let's come together to help those in need while thanking those that give to us. Today we have "Pumpkin Spice Day" and we love seeing all of those Fall Colors out there. We hope you were one of the people that were able to enjoy a special thank you from ASB this morning to start out the week. Tuesday is Flannel Forecast, so show us your best flannel outfit. We will be writing Thank Yous to military soldiers overseas and our local first responders. Thank you to the clubs and classes that have signed up to participate. You will receive your "Thank You" notes today to write tomorrow. Students will also receive 5 Star Student points for participating in the dress up days.

- Congratulations to the varsity cross-country teams on their great performance at CCS Championships this past Saturday. Varsity girls placed 5th as a team and were led by Victoria Ruiz who placed 11th overall and qualified to the CIF State Championships in two weeks! The Varsity boys placed 4th as a team and were led by Leandro Montoya and Christopher Alejandro who placed 4th and 14th overall respectively. Both also qualified to the CIF State Championships! Leandro earned first team all-CCS and is now the 5th fastest Condor ever at the Crystal Springs course for NMC. Congratulations on a fantastic season! Go Condors!
- All month we will be having a canned food drive for Monterey County Food Bank. This year our community is in need of lots of nonperishable food! This will be a contest between the 4th period classes and offices on campus with the class or office bringing in the most **NON PERISHABLE** food items receiving a party!! Let's all work together to help our community. ASB students will come by your classroom or office on Friday to collect your food items and count up how many you have brought. Thank you in advance for your support in this always important community service event!! Mr. Cornejo's 4th period class is in the lead with the most nonperishable food items right now...will anyone be able to catch them? Let's Go Condors!!!
