

Annual Integrated Pest Management Notice

For School Year 2025 - 2026

Dear Parent, Guardian, or Staff Member:

This notice is being distributed to comply with the New Jersey School Integrated Pest Management Act. The Oakland Public Schools has adopted an Integrated Pest Management (IPM) Policy and has implemented an IPM Plan to comply with this law. IPM is a holistic, preventive approach to managing pests that is explained further in the school's IPM Policy included with this notice.

All schools in New Jersey are required to have an Integrated Pest Management Coordinator (IPM Coordinator) to oversee all activities related to IPM and pesticide use at the school.

The IPM Coordinator for Oakland School District is:

Name of IPM Coordinator: Joseph Tumminia

Business Phone number: 973-390-7433

Business Address: 111 MANITO AVE, OAKLAND, NJ 07436-4012

The IPM Coordinator maintains the pesticide product label, and the Material Safety Data Sheet (MSDS) (when one is available), of each pesticide product that may be used on school property. The label and the MSDS are available for review by a parent, guardian, staff member, or student attending the school. Also, the IPM Coordinator is available to parents, guardians, and staff members for information and to discuss comments about IPM activities and pesticide use at the school.

As part of a school pest management plan Oakland Manito Elementary School may use pesticides to control pests. The United States Environmental Protection Agency (EPA) and the New Jersey Department of Environmental Protection (DEP) register pesticides to determine that the use of a pesticide in accordance with instructions printed on the label does not pose an unreasonable risk to human health and the environment. Nevertheless, the EPA and the DEP cannot guarantee that registered pesticides do not pose any risk to human health, thus unnecessary exposure to pesticides should be avoided. The EPA has issued the statement that where possible, persons who are potentially sensitive, such as pregnant women, infants and children, should avoid unnecessary pesticide exposure.

The following pesticides have been used at this location in the past 12 months:

Trade Name	Common Name	EPA Registration #
Advion Ant Gel	Indoxacarb	352-746
Advion Cockroach Gel Bait	Indoxacarb	100-1484
Catchmaster Adhesive Devices	NIA	NIA
CyzmicCS	Lambda-Cyhalothrin	53883-389
Delta Dust	Deltamethrin	432-772
Demand CS Insecticide	Lambda-Cyhalothrin	100-1066
Essentria IC3	Rosemary Oil	NIA
EZ Block	Bromadiolone	87235-2-88689
Nectus Soft Bait	Bromadiolone	82744-2-56
Stryker 54	Pyrethrins	53883-384
Talstar P Insecticide	Bifenthrin	279-3206
Tempo 1% Dust	Cyfluthrin	432-1373

The following items must be included with this annual notice:

- **A copy of the school or school district's IPM policy.**
- **The date, time and place of any meeting if one is to be held for the purpose of adopting or modifying the school integrated pest management policy or plan.**
- **A list of pesticides that are in use or that have been used in the past 12 months on school property.**
