

Professional Nursing (LPN-RN) Entrance Writing Component – Prompt 2

We want to hear your professional voice. Take a deep breath, focus, and write clearly. Use a formal tone, like you would in a job interview. Let your ideas flow from your mind to the page.

Directions:

Write one well-developed paragraph that includes:

- Your opinion about the current state of healthcare in your community.

Make sure your paragraph is clear, organized, and uses correct grammar.

✓ Additional Instructions for Students

Before you submit, **spend a few minutes editing and proofreading** your paragraph. Check for:

- Grammar and spelling errors.
- Sentence flow and clarity.
- Whether you answered both parts of the prompt.

AI Detection Threshold Recommendation

- **Suggested Threshold:**
 - **90% human-generated content** ($\leq 10\%$ AI influence) for full credit.
 - If AI detection tools show **11–30% AI influence**, deduct 0.5 points.
 - If **>30% AI influence**, score 0 for originality.

This threshold balances fairness and integrity while allowing students to use grammar tools or light assistance without penalty.
