

# Welcome to Audubon Public School's Pre-K Registration

## **Pre-K Registration forms** *(to be printed & completed PRIOR to in-person registration)*

### **Some Important Info—**

Children entering Preschool must be three years old on or before October 1, 2025, and will start upon their 3rd birthday.

Audubon Public Schools is currently accepting registration for **Pre-Kindergarten students who have been evaluated and/or are receiving special education services**. Families with children meeting these criteria may complete the registration process at this time.

**All other Pre-Kindergarten students (ages 3 and 4)** are admitted through the district's **annual Pre-K Lottery**, which takes place each February. Registration information and application details for the lottery will be made available on this page as we approach the lottery period.

Current preschool students will automatically be re-enrolled for the next school year according to their appropriate age and grade designation. Only the seats that need to be filled will be chosen from the lottery all remaining registrations will be waitlisted for future consideration.

Please note that all registration processes are conducted in accordance with **state and district policies** to ensure equitable access for all students.

For questions regarding Pre-K registration or the lottery process, please contact the Audubon Public Schools Registrar's Office.
