School Goals

Beaverton School District promotes a deep sense of belonging while supporting, challenging and inspiring all students to explore their passions, achieve their goals and graduate ready to thrive in their learning and life after high school. To achieve these goals, the district and its schools will prioritize student safety and well-being, a strong start in early learning, achievement for all student groups including accessibility to dual language programs, and supports for post-high school success.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

To enable every student to thrive socially and emotionally, Beaverton School District is committed to promoting an environment where every student feels safe, included and valued. To achieve this goal, the district and its schools will create systems, structures and practices that build safe and inclusive learning environments including multi-tiered systems of support for students' social-emotional, behavioral and academic needs.
