ARTICLE 6 - GRIEVANCE AND ARBITRATION PROCEDURE

- 6-1 The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to problems that may arise affecting employees.

Both parties agree these proceedings shall be kept as informal as may be appropriate at any given level, and may include an “investigative interview” which is not considered disciplinary in nature, and is not subject to the grievance process. If the employee at any time feels uncomfortable, he/she may choose to stop the interview and invoke rights as defined under Article 7-10.

6-2 Definitions

- 1) Grievance - A “grievance” shall be defined as any dispute by an employee, a group of employees, or the Organization that there is a violation or inequitable application of any of the provisions of this contract or Board Policy or practice governing or affecting employees. The term “grievance” shall not apply to any matter on which the Board is without authority to act.
- 2) Grievant - A “grievant” is the employee(s) or the organization asserting the grievance.
- 3) Days - The term “days” when used in this Agreement shall, except where otherwise indicated, mean working days rather than calendar days. The grievance procedure time frames are suspended during the summer months for employees working less than 12 months except for grievances alleging monetary loss by the employee.
- 4) Time Limits - Since it is important that grievances be processed as rapidly as possible, the number of days listed at each level shall be considered as a maximum, and every effort should be made to expedite the process. If an employee, group of employees, or the Organization does not file a grievance in writing as provided herein below and within timelines within which the employee, group of employees, or the Organization knew or should have known of the act or condition on which the grievance is based, then the grievance shall be waived.

6-3 Grievance Procedure
Informal Discussion/Immediate Supervisor

If an employee believes that he/she has a grievance, he/she shall first notify in writing and discuss the matter informally with his/her immediate supervisor within twenty (20) days of the event or knowledge of the event which led to the potential grievance. The immediate supervisor is defined at Article 1-12.

The immediate supervisor shall respond, in writing, within ten (10) days from the date of this discussion. This response shall indicate the immediate supervisor's decision regarding the employee's concern.

Either party may be represented during the discussion by a person of their choosing. The HCSSO member has the right to be represented by an Organization representative at all steps of the grievance procedure. (9/17)

Step 1 – Formal Discussion / Immediate Supervisor

If the grievant is not satisfied with the decision of the immediate supervisor through informal discussion, he/she shall submit within fifteen (15) days of receipt of the supervisor's decision, a formal written grievance to the immediate supervisor.

The immediate supervisor and grievant or representative shall mutually schedule a meeting with the grievant and a representative of the Organization and shall render a decision in writing to the grievant, the Organization, and the Superintendent within fifteen (15) days following the Step 1 hearing. The immediate supervisor shall include reasons supporting the decision.

In the event a grievance does not pertain to the immediate supervisor, the grievance may be filed at Step 2 – Superintendent Level.

Step 2 – Superintendent Level

If the answer of the immediate supervisor does not satisfactorily resolve the grievance, the grievant and/or the Organization may, within ten (10) days after receipt of the written answer from the immediate supervisor, submit the grievance to the Superintendent in writing, including the answer of the immediate supervisor. The Superintendent or designee shall mutually schedule with the grievant or representative a meeting to hear the grievance within fifteen (15) working days of receipt of the appeal to step 2 unless both the Superintendent and designee are unavailable for such meeting and there is a mutually agreed upon time extension. The Superintendent or designee shall submit a written answer of the grievance to the grievant and to the Organization within fifteen (15) days following the Step 2 hearing. The Superintendent or designee shall include reasons supporting the decision

Grievances filed regarding the discharge of an employee shall begin at Step 2 – Superintendent.

Step 3 – Mediation Level

If the Grievant of the Organization is not satisfied with the decision of the Superintendent, or designee, the grievant of the President of the Organization may, within ten (10) days following receipt of the response to Step 2, proceed directly to Step 4 – Board of Trustees, or may request to present the grievance to Mediation. If the grievant or the President of the Organization requests to present the grievance to Mediation, the following mediation procedure will be followed:

The Superintendent must respond to the Grievance request for Mediation within five (5) days.

The Mediator will be obtained from the Federal Mediation and Conciliation Service.

Both parties agree to comply with the rules and procedures of the Federal Mediation and Conciliation Service;

The Mediator shall confer with the Superintendent or his Designee and the Organization, and hold a hearing within thirty (30) days. If the FMCS is unavailable within the 30-day time frame, parties may move the Grievance to Step 4.

If no solution is reached to the satisfaction of both parties, the Grievance may be moved to Step 4 – Board of Trustees. (9/17)

Step 4 - Board of Trustees

If the Grievant or the Organization is not satisfied with the decision of the Superintendent, or designee, or if the issue was submitted to Step 3 – Mediation and no solution was reached to the satisfaction of both parties, the grievant or the President of the Organization may within ten (10) days following receipt of the response to Step 2, (or within ten (10) days after completion of the Step 3 – Mediation level) file the grievance with the clerk of the Board. The Board shall hear the grievance either during a special meeting or during a regularly scheduled public meeting within twenty (20) days following receipt of the grievance appeal. The meeting may be closed by the Board to consider grievances involving the character, alleged misconduct, professional competence, or physical or mental health of an employee consistent with the requirements of Nevada’s Open Meeting Law (NRS Chapter 241), however any action by the Board must be in open session. The Superintendent may request from the grievant’s representative a two-week extension of time to the above time-frame. Such a request will not be unreasonably denied. The grievant or grievant’s representative or both shall present the case to the Board. The Board shall forward its written response to the grievance within ten

(10) days following the Level 3 hearing to the grievant, the grievant's representative and the Organization President. The Board response to the grievance shall include reasons supporting the decision. (9/17)

Step 5 – Binding Arbitration

Any grievance, which has been deemed meritorious by the Organization, may be appealed to arbitration by the Organization within twenty (20) days following receipt of the Board's response by serving written notice to the District of its intention to arbitrate the grievance.

In the event a grievance is appealed to arbitration as provided in this section, the Superintendent or designated representative shall meet with the President of the Organization or designated representative within ten (10) days following receipt of the demand to arbitrate, and shall jointly select as arbitrator a person who is recognized as experienced, impartial and competent. If the parties are unable to reach agreement at this meeting, either party may request the Federal Mediation and Conciliation Services to furnish a list of seven (7) arbitrators under its Voluntary Labor Arbitration Rules.

Selection of Arbitrator

Within ten (10) days after receipt of the panel of arbitrators submitted by the Federal Mediation and Conciliation Services, the Superintendent and the Organization will select an arbitrator by striking names from the list until a single arbitrator remains.

Basis for Decision

The arbitrator shall limit his/her decision strictly to the application and interpretation of the provisions of this Agreement, District policies, and applicable Nevada statutes. The arbitrator shall not have the authority to modify, amend, alter, add to, nor subtract from any provision of this Agreement.

Binding Arbitration (Grievance)

The decision of the arbitrator shall be final and binding. The arbitrator's decision shall be submitted in writing within thirty (30) calendar days of the close of arbitration or submission of post hearing briefs, whichever comes later, to all parties. If an arbitrator is selected from the Federal Mediation and Conciliation Services, procedures of the arbitration shall conform with the Federal Mediation and Conciliation Services rules, the NLRB, and applicable federal labor law decisions. The decision and award, in writing, of the arbitrator on the merits of any grievance adjudicated within the arbitrator's jurisdiction and authority as specified in this Agreement shall be final and binding on the grievant, the Organization, and the District.

The costs for services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, and the cost of any hearing room, will be borne equally by the District and the Organization. All other expenses will be paid by the party incurring them.

Rights and Responsibilities of the Grievant, Organization, and Board:

- (a) No reprisals shall be taken by either the grievant, Organization, the District, or the District's agents against any participant in the grievance procedure by reason of such participation.
- (b) At any step during the grievance process, either party has the right to be represented by an Organization representative and/or a person of his/her choosing.
- (c) When a grievant is not represented by the Organization at Step 1, 2, or 3, the Organization shall have the right and reasonable opportunity to be present at any meeting between the grievant, the immediate supervisor, the Superintendent, and/or the Board after the submission of the written, signed grievance form.
- (d) Except for the decision resulting from arbitration or settlement, all documents, communications, and records dealing with the processing of a grievance shall be separate from the personnel file.
- (e) Failure by the grievant to comply with the timelines in this Article shall be deemed to be a denial of the grievance. Failure by the immediate supervisor to comply with the timelines in this Article, absent a mutually agreed upon time extension, shall result in the grievance being deemed in favor of the grievant unless fiscal impact exceeds \$350.00, in which case the grievance automatically moves to the next level.
- (f) Grievances may be withdrawn at any level by the grievant without prejudice.

If an employee is called as a witness by the District during normal working hours, the employee shall not suffer any loss of wages or benefits.

Expedited Arbitration

If both the District and Organization agree to Expedited Arbitration in writing within five (5) calendar days of any request for arbitration pursuant to this Article, the arbitration may be held under the Expedited Labor Arbitration Rules of the American Arbitration Association.

6-3 Request for Information

The District shall make all public information available to the Organization within a reasonable time after it is requested. Documents and other information in the District's possession that is related to investigation or adjudication of an employee's grievance or is related to bargaining pursuant to NRS 288 shall be provided to the employee or the employee's representative immediately upon request.

The following delineation of disciplinary steps serves as a guide and does not supersede Article 6 or Article 7 of this Agreement. - A. The supervisor shall meet with the employee to discuss the unsatisfactory performance and/or misconduct.
- B. The administrator's written notation of this verbal warning shall be placed in the employee's work-site file but will not be placed in the employee's personnel file. Any staff member assigned supervisory responsibility for a student, either demonstrating, or with a known safety concern as determined by the site administrator will receive crisis, prevention, intervention certification within 30 days of the initial identified need. Support staff will have access to the student’s support plan, include behavioral and health requirements.

ARTICLE 9 - SENIORITY AND REDUCTION IN FORCE

- 9-1 Notification of Organization and Inclusion on Board Agenda: When, in the judgment of the Board and in accordance with NRS 288.150(3)(b), a reduction in the support staff is necessary, the Board will first notify the HCSSO president and include the item on its agenda for a regular open meeting of the Board.
- 9-2 Procedures for Staffing Adjustments:
Attrition by resignation and retirement shall be utilized as the first means of staff reduction. In collaboration with the Executive Board of the Organization, if a resignation or retirement occurs during the school year, the District may opt not to fill vacancies created by this action until the beginning of the next year and such action shall not be considered a reduction in force. The District may decide to not fill the vacancy, or to reduce the hours of the position to reflect building and staffing needs. If the District chooses to fill a vacated full-time position, it may not split the position into two (2) part time positions, but must, under the terms and conditions of this article, fill with the same number of hours as when the position was vacated.

In the event of a reduction in force, release of current staff members shall include consideration of seniority within a recognized job family(s), and/or funding source, affected by a reduction in force, but shall not be the sole criteria. A reduction shall be determined by using the following criteria as listed below:

- a. Length of employment in the District, (See 9-3);

- b. First paid day on the job;
- c. Performance evaluations as defined by two consecutive years of an unsatisfactory and inability to meet the expectations of the Improvement Plan following the first unsatisfactory evaluation;
- d. Disciplinary records, within the past two years, to include any discipline at the Reprimand or higher level;

9-3 Seniority in (a) above shall mean the number of continuous days of service commencing with the first day on which the employee began working for the District.

An employee may, under the above definition, simultaneously accrue seniority in more than one job family.

The employee with the least job family seniority (as opposed to total seniority with the District) in a recognized job family is the first employee laid off in the job family(s) affected by the layoff. Employees laid off in a particular job family may displace/“bump” less senior employees from a recognized job family where the laid off employee was previously assigned and for which the laid off employee remains qualified, beginning with the laid off employee’s most recent assignment.

Service prior to interruptions other than vacations or authorized leaves shall not be credited toward seniority. Vacations and authorized leaves of absence shall not be considered interruptions in service.

Any resignation or termination of employment, except approved leaves of absence, shall constitute a “break in seniority”. For the purpose of staff reduction, seniority shall be computed from the first working day subsequent to the most recent break in service, if any.

An employee with a work year of less than twelve (12) months shall not be considered to have suffered a break in service during the months that are not included within the employee’s work year.

Employees who work less than three (3) hours per day or fifteen (15) hours per week do not qualify for seniority.

9-4 The District shall prepare a seniority list with a notation of the job families in which each employee has experience with the District, and a notation as to the date the employee first commenced work for the District. This data shall be provided to the Organization President on or before December 1st of each contract year and updated to reflect any changes in seniority credit occurring between the December 1st seniority list and the notice of layoff referred to in Article 9-5.

9-5 No employee shall be laid off pursuant to a necessary reduction in personnel for any school year unless said employee shall have been notified of said layoff by May 1 of the current school year of such layoff.

- 9-6 Priority in Hiring: Laid-off employees will keep the District informed of a current mailing address for purposes of recall, and will be offered the first vacant position within their job family via certified mail to the last provided address. Failure of the employee to update the employee's current mailing address or failure to notify the District within 14 calendar days of the employee's intent to return to District employment will waive the employee's right to re-employment with Humboldt County School District

If multiple positions are vacant within the employee's respective job family, the recalled person may select from among the positions available at the time of recall. The date and time an employee is recalled will be verified with the Organization President/representative or the NSEA representative.

The intent to accept re-employment must be made in writing to the Superintendent within ten (10) days of receipt of the offer to re-employ. A doctor's note is required for all maternity leave. All leave must be exhausted before going on leave without pay. (9/21)

APPENDIX B REGULAR ROUTE BUS DRIVERS

The following sections expressly supersede any conflicting provisions in the Master Agreement, Articles 1 through 21. Sections B-1 through B-7 apply only to regular route bus drivers.

B- 1 SENIORITY AND REDUCTION IN FORCE

1-1 Reduction in Hours

The reduction in the number of hours a regular route bus driver is to work shall not constitute a layoff or reduction in force. Regular routes will not be reduced during the school year after count day unless based on elimination of bus stop(s), reduction of students at bus stop(s) or change of route due to available highways and roads such as new roads, road closure or bridge out, which reasons will not constitute a layoff or reduction in force. Nothing in this section prevents the District from eliminating a regular route during the school year subject to the procedures in Appendix B-1. The layoff of a regular route bus driver caused by the elimination of a regular route is subject to Appendix B-1.

1-2 Notification of Organization and Inclusion on Board Agenda

When, in the judgment of the Board and in accordance with NRS 288.150(3)(b), a reduction in the support staff is necessary, the Board will first notify the HCSSO president and include the item on its agenda for a regular open meeting of the Board.

1-3 Procedures for Staffing Adjustments

Attrition by resignation and retirement shall be utilized as the first means of staff reduction.

In the event of a reduction in force, release of current staff members shall include consideration of seniority within a recognized job family(s), and/or funding source, affected by a reduction in force, but shall not be the sole criteria. A reduction shall be determined by using the following criteria as listed below:

- a. Length of employment in the District, (See 9-3);
- b. First paid day on the job;
- c. Performance evaluations as defined by two consecutive years of an unsatisfactory and inability to meet the expectations of the Improvement Plan following the first unsatisfactory evaluation;
- d. Disciplinary records, within the past two years, to include any discipline at the Reprimand or higher level;

1-4 Probationary Employees

Probationary regular route bus drivers will be reduced before regular route bus drivers.

1-5 Seniority

Additional reductions in force will be based upon an employee's "seniority" with Humboldt County School District. The employee with the least bus driving seniority will

be laid off first. The District will provide the Organization and employee with one-month notice prior to any reduction in force.

Employees who have been laid off will be placed on the substitute drivers' list.

1-6 Seniority Defined

Seniority in 1-5 above shall mean a regular route bus drivers' length of continuous service since the date of his or her employment. An employee with a work year of less than twelve (12) months shall not be considered to have suffered a break in service during the months which are not included within the employee's work year.

Within thirty (30) days of the execution of this Agreement, the District shall establish a seniority list, with the employee with the greatest seniority listed first. The seniority list shall be brought up to date every year. Copies of the list shall be provided to the Organization by October 1st.

Employment in a job family recognized by the Board as belonging to the Organization shall be credited for seniority. All other employment receives no seniority credit in the Organization job families. Seniority in each Organization job family begins when an employee commences work in that job family and continues to accrue until termination of employment in a recognized job family. An employee may, under the above definition, simultaneously accrue seniority in more than one job family.

The employee with the least job family seniority (as opposed to total seniority with the District) in a recognized job family is the first employee laid off in the job family(s) affected by the layoff. Employees laid off in a particular job family may displace/"bump" less senior employees from a recognized job family where the laid off employee was previously assigned and for which the laid off employee remains qualified, beginning with the laid off employee's most recent assignment.

Service prior to interruptions other than vacations or authorized leaves shall not be credited toward seniority. Vacations and authorized leaves of absence shall not be considered interruptions in service.

Any resignation or termination of employment, except approved leaves of absence, shall constitute a "break in seniority". For the purpose of staff reduction, seniority shall be computed from the first working day subsequent to the most recent break in service, if any.

Employees who work less than three (3) hours per day or fifteen (15) hours per week do not qualify for seniority.

1-7 Priority in Hiring

Laid-off employees will keep the District informed of a current mailing address for purposes of recall, and will be offered the first vacant position for which s/he is qualified via certified mail to the last provided address. Failure to update current mailing address or failing to timely respond in certified notice waives any recall rights.

If multiple positions are vacant, the recalled person may select from among the positions available at the time of recall a position for which minimum qualifications are met. The date and time an employee is recalled will be verified with the Organization President/representative or the NSEA representative.

The intent to accept re-employment must be made in writing to the Superintendent within ten (10) days of receipt of the offer to re-employ. The offer to re-employ shall be made on a form provided by the District that identifies the position for which re-employment is offered and/or selected. Failure to notify the District of acceptance of re-employment will result in termination of recall rights.

Following the above-described procedures, all employees are free to apply for any posted vacant position for which they qualify, pursuant to Appendix B-7.

1-8 Benefits on Reemployment

Employees re-employed shall retain seniority, wage step and all other accrued benefits accumulated prior to the reduction in force.

B - 2 HOURS AND DAYS OF WORK

2-1 Work Week

A normal work week during the school year will be Monday through Friday for regular routes on a five day week. A four day week schedule, if in force, will be determined by the approved calendar for the school year.

The driver will be entitled to a first option for the next trip and retains his/her place on the seniority rotation schedule.

4-6 Holiday Pay

B – 5

FIELD TRIPS/LOCAL TRIPS

5-1 Seniority/Definitions

Field trips/local trips will be assigned on a rotational basis by seniority.

“Field Trips” are defined as those trips beyond a twenty-five (25) mile radius of the bus yard or originating rural site (if applicable) using a regular school bus or trip bus.

“Local Trips” are defined as those trips within a twenty-five (25) mile radius of the bus yard or originating rural site (if applicable) using a regular school bus or trip bus.

“Seniority” is defined in Appendix B-1-1-6.

5-2 Field/Local Trip Assignments

All regular route bus drivers interested in driving for field/local trips will notify the bus driver foreman in writing on the appropriate trip form that they are available for trip assignments. Bus drivers will designate their individual trip classification preference on the trip form for assignment purposes. Field trip/local trip compensation will begin at the origin of the activity of the trip site as designated by the bus driver foreman.

On each Thursday during the school year at 2:00 pm, on the bulletin board in the Bus Driver Training Center, all field, local, overnight or other non-regular route trips that have been requested for the week of the second Monday after this date will be posted. It is possible that a late trip may be posted later but there will be clear evidence of a late request. Drivers available for trip assignments will select trips by seniority on the form provided by the District by 12:00 noon the following Wednesday. In the event a trip is canceled following the selection process above, the driver has the first option to the next posted trip and retains his/her position on the seniority rotation schedule. Any trip not selected by Wednesday at 12:00 noon, or any posting received after 2:00 on Thursday

will be assigned by the bus driver foreman based on the seniority rotation list of available trip drivers. If no trip drivers accept the trip, it will then be offered to regular route drivers based on seniority. If no regular drivers accept the trip it will then be offered to sub drivers based on seniority. All offerings will be documented on seniority forms by Bus Foreman or their designee.

If a driver declines a trip assignment he/she will lose position in seniority rotation.

There will be no trading of trips among drivers.

Substitute bus drivers may be used if regular route trip bus drivers are not available.

An employee signed up for field/local trips will not be excused from such assignment unless approved by the bus driver foreman, whose approval will not be unreasonably withheld. (11/15)

5-3 Compensation – Field or Overnight Trips

Bus drivers will be reimbursed for field trips at 100% of their regular hourly rate of pay for the entire time of the field or overnight trip. Total paid time will be calculated from the time of departure from the bus yard, to time of return to the bus yard; not including ten (10) hours of sleeping time, when applicable, which is unpaid.

The above paid time will include 1 hour per Appendix B-4-4-7.

All meals will require an itemized receipt for reimbursement. An exception will be made for food purchased through concessions during events. In such circumstances, reimbursement will require a hand written receipt detailing the meal expense which is signed and dated by the employee. Maximum reimbursement will be based on actual expenses not to exceed GSA lunch reimbursable rates.

5-4 Compensation – Local Trips

Local trips are paid at regular rate of pay from time of departure to time of return, with a minimum of 1 (one) hour paid.

5-5 Contracting Out Trip Runs

The District retains the right to contract bus trips outside Humboldt County based on unavailability of air conditioned and/or restroom equipped buses and/or based on the length of trip and/or weather conditions as determined by the District. This language is limited to the regular route bus drivers and shall not be precedential as to any other employee in any other job family to which this agreement applies.

B – 6

JOB INJURY – SAME POSITION PROCEDURE

6-1 Job Injury

A regular route bus driver who is injured on the job will be returned to his/her same position and route if the driver is medically certified to return to full-time, unrestricted service within one (1) year of such injury.

6-2 Approved Leave of Absence

If a regular route bus driver is not medically certified to return to full-time, unrestricted service within one (1) year of a job related injury, he/she will be assigned the next available route following his/her unrestricted medical release up to one year after such injury and/or approved leave of absence.

6-3 Job Entitlement Void

If a regular route bus driver is not able to return to work after a job-related injury within one (1) year of such injury plus use of any and all approved leave of absence, his/her entitlement to any bus route is void.

2. As defined in Article 7-10, administration will give the reason for the meeting in the written notice of the meeting. All parties agree to adhere to what is stated on the notices.

APPENDIX E:

Access to Classroom Video through the Audio Enhancement System

Parties Involved:

Humboldt County School District (HCSD)

Humboldt County Education Association (HCEA)

Humboldt County Support Staff Organization (HCSSO)

Introduction:

In accordance with the commitment to ensure a safe and conducive learning environment for all students and staff members, the HCSD and HCEA/HCSSO recognize the necessity of establishing protocols for accessing classroom video recordings through the Audio Enhancement system. This proposal delineates the terms and conditions under which such access will be facilitated, with the primary focus on maintaining student privacy and confidentiality while addressing specific incidents or behaviors. The proposal is specific to classroom video only, and does not apply to general security cameras located throughout the district.

1. Purpose and Scope:

The purpose of accessing classroom video recordings is solely for addressing specific incidents or behaviors that may arise within the school environment. It is imperative to clarify that the cameras installed are not implemented for continuous monitoring of classrooms but rather serve as a tool for resolving exceptional situations.

2. Access Criteria:

Access to classroom video recordings will be granted based on specific student behavior or student incidents that warrant review. Examples of such incidents include but are not limited to:

Acts of violence or aggression

Disruptive behavior impacting the learning environment

Allegations of significant behavioral misconduct

Potential violations of law (Theft, Assault, etc)

3. Review of Complaints Regarding Staff:

Complaints pertaining to aversive, physical, or mechanical restraint employed within the classroom environment may be subject to review for statutory compliance. At no time is such video evidence provided for parent review. Access to relevant video recordings will be facilitated to ascertain the accuracy of reported incidents and ensure adherence to legal and ethical standards.

- The district would follow the Negotiated Agreement regarding Investigatory Interviews in all cases in which video may be necessary in accordance with the Master Agreement
- Examples in which video evidence may be pulled would include
 - o Allegations of Assault (Physical, Verbal or Sexual)
 - o Theft
 - o Complaints regarding aversive, physical or mechanical restraint with a student on an Individual Education Plan (IEP).

4. Access Procedure:

- a. All video recordings are securely housed within the technology department's infrastructure.
- b. Requests for accessing specific recordings must be made by administration officials.
- c. Requests must include precise details such as dates and time ranges for the requested footage.
- d. Access to recordings will be provided solely for the purpose of addressing identified incidents or behaviors.
 - 1 If the request is specific to an allegation with a staff member, the staff member and HCEA or HCSSO President will be provided with notice of the allegation with specific details being looked for, date, and times prior to the release of the video to administration. The HCEA President or designee will be provided the same video recording as administration, with the exception of immediate life/safety issues.
- e. The technology department will maintain an access log to ensure chain of custody.

5. Confidentiality and Privacy:

- a. All parties granted access to video recordings are obligated to maintain strict confidentiality.

b. Video recordings may only be shared with individuals directly involved in the resolution process, which may include law enforcement (ex. Assault by a student, theft, etc.)

c. Unauthorized dissemination or use of video footage for purposes other than those outlined in this proposal is strictly prohibited.

6. Evaluation and Monitoring:

It is expressly stated that video recordings will not be utilized for evaluative purposes, remedial, or punitive purposes (with the exception of video accessed in accordance with Section 3, Review of Complaints Regarding Staff), including but not limited to performance assessments of educators or students. In certain cases, a teacher may request that video recordings be used to support the evaluative process, understanding that such is at the teacher's discretion. The primary objective remains focused on maintaining a safe and supportive learning environment.

Conclusion:

In the spirit of collaboration and commitment to the well-being of students and staff, the HCSD and HCEA/HCSSO jointly endorse this proposal for accessing classroom video through the Audio Enhancement system. By adhering to the outlined protocols, both parties aim to foster a culture of safety, transparency, and respect within the educational community.
