MONTPELIER ATHLETIC BOOSTERS

July 21, 2025

Dear Area Merchants and/or Organizations:

The Montpelier Athletic Boosters would like to thank you for being a Booster donor for the 2024-25 athletic seasons. If you were not a donor last year, now is your chance to join in supporting our student athletes & programs.

Montpelier's student athletes once again thrived & had great success. A few highlights from their year include the boys golf team making a 6th straight district appearance,a few cross country runners getting BBC recognition, & solid volleyball & football programs ready to compete again this Fall!

In winter sports, both boys & girls basketball teams were BBC champs & the boys also added a sectional championship to their record. Logan Pontious recorded his 100th career win in wrestling as he & Madyson Smith also competed at districts.

Five athletes made their way to the state track meet & represented Montpelier well. Logan Pontius & Bria Friend broke school records on their way to 4th & 5th place finishes. Our baseball & softball programs continued to dominate as well, both being BBC, Sectional, & District Champs!

It was a great year of athletics & it's always a great day to be a Locomotive!

In reviewing our standard practice for accepting donations, we offer corporate packages to make it easier for your business or corporation to be a sponsor. Listed below are the different packages available for you to review. **These packages are a one-time donation to the athletic booster club for the entire 2025-26 athletic year**. This means you will not be asked for a donation from any Montpelier athletic club for the entire athletic year. If you feel inclined to make a larger monetary donation than listed in the outlined packages below, it's always welcomed. If you are willing to be a sponsor, please fill out the information on page two and send it back to Katie Rose, as soon as possible. We thank you for your support and generosity for our organization.
