The bid is to be received in the business office located in Alexander Hamilton High School in a sealed envelope clearly marked to the attention of "Mary Beth Swansen" by 11 am December 4, 2025. All bids are final and the vehicle is being sold "as is". The payment must be cash or bank check made payable to Elmsford UFSD with-in 48 hours of notification of bid award. The vehicle must be removed from the premises with-in 48 hours of receipt of payment. Transfer of ownership will be in the form of signing over the title. The district reserves the right to reject any and all bids for any reason.

The Vehicle Identification Number (VIN) is **2D8HN44E79R664723**. It was manufactured in Canada and is equipped with a six-speed automatic transmission, with a 3.3L V6 engine. The base SE model came with standard Stow 'n Go seating for the second row, cruise control, power windows, and a four-speaker sound system. Standard safety equipment includes anti-lock brakes, electronic stability control, and three-row side-curtain airbags.

The vehicle needs a battery and has a dent in the front bumper. To make an appointment to view the vehicle, please contact Edwin Sequenza 914.592.8440 ext. 4401.

Respectfully submitted,
