

FAMILY RESOURCES

- Our school will send out a monthly newsletter. It can be translated into other languages.

- **Find valuable information through ParentVUE:**

- Your student's results from grade level assessments
- Your student's report card
- Volunteer at your student's school. Contact the Volunteer Service Coordinator (VSC) or go to ahschools.us/monroevolunteer
- Find parent resources or ways to help your student learn: ahschools.us/prektograde3
- Translate the information from this brochure on ahschools.us/monroesupport
- Communicate with your student's school in your preferred language. Visit ReachMyTeach.com or download the app
- Contact your student's teacher or the school office if you have questions

FAMILY SUPPORTS FOR SUCCESS

- Read 20 minutes everyday with your child or have them read independently
- Talk to your child about their learning in reading, math, and science
- Attend family nights with your child

IMPORTANT DATES

EVENTS FOR FAMILIES

🍎 Fall Informational Meetings	Thur, Oct 2, 2025 Mon, Oct 6, 2025
STEM Family Night	Thur, Nov 6, 2025
Reading Family Night	Thur, Jan 29, 2026
Math Family Night	Tue, Mar 24, 2026

PARENT TEACHER ORGANIZATION (PTO) MEETINGS • 6:30 PM

- 🍎 October 7, 2025
- December 2, 2025
- 🍎 February 3, 2026
- April 7, 2026
- 🍎 May 19, 2026

🍎 Information about Title I will be shared and your input will be gathered

PARENT-TEACHER CONFERENCES

CONFERENCES

Fall Conferences

October 2 & 6, 2025

4:10 - 8:30 pm

Winter Conferences

February 12 & 17, 2026

4:10 - 8:30 pm

Possible Topics Discussed at Conferences

Teachers will share:

- Student expectations, goals, and progress on:
 - Schoolwork and tests
 - Interest and effort in learning
 - Friendships and relationships with others
- Services and supports offered to help your student
- Future events

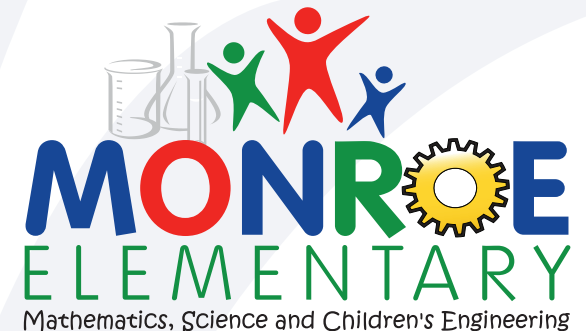

Parent/Family will share:

- Student strengths
- Student interests
- Questions you may have about the school or your student

An agreement to
effectively educate
each student for success

WHAT IS TITLE I?

Title I is a federally funded program that is a part of the Every Student Succeeds Act (ESSA). The goal of this law is to help all students meet grade level expectations as written in the Minnesota state standards. Our qualifying schools receive Title I funds, as well as state and local funds, to strengthen their academic programs and to accelerate the progress of all students

As a Title I funded school, we partner with families and staff to write goals and an action plan each year. Title I funds are used to help meet these goals.

WHAT IS THE PURPOSE OF THIS BROCHURE?

To explain how families and staff have a shared responsibility for a student's high academic achievement. This brochure is reviewed and revised each school year with the help of families and staff.

HOW ARE THE FUNDS USED?

- Additional support staff to provide reading and math interventions
- Family learning events and practice materials for home
- Resources and training to support our school improvement strategies

SCHOOL SUPPORTS FOR SUCCESS

- The school community will partner with families in providing resources on how to support students' success in reading and math at home
- Teachers and support staff will develop goals to support student learning in reading and math"
- Staff will use a collaborative approach towards meeting the needs of all students with a focus on essential learning and data
- Students will have access to daily reading and math interventions

SCHOOL IMPROVEMENT STRATEGIES

Our school is a Title I Schoolwide building that receives funding to support our students' academic needs. We have selected these goals to help all students:

- Use student reading and math data to inform instruction, to form intervention groups, and to increase student achievement
- Consistently implement student engagement strategies to create a positive school culture
- Continued use of social-emotional curriculum/Character Strong Progress on these school efforts will be reported to families at the PTO meetings in October, February and May.

LITERACY AND MATH

Minnesota's English Language Arts (ELA) academic standards for reading, writing, listening, and speaking skills are taught daily in all elementary classrooms with the Amplify CKLA curriculum, in K-3rd classrooms with Bridge2Read, and in 4th-5th grade classrooms with Functional Morphology. Students are taught core foundational skills of reading and writing through interesting fiction and nonfiction texts, while developing communication skills and confidence. Every student's progress is monitored regularly, and extra service is provided, as needed, by classroom teachers and support staff.

AmplifyCKLA

Bridge2Read
ServeMN

Functional
Phonics
+ Morphology

Minnesota's math academic standards are taught in all elementary classrooms. We use Bridges in Mathematics and the connected intervention program called Bridges Intervention. It addresses all the Minnesota math standards in a fun, engaging, and accessible way for all students. The program includes:

BRIDGES
IN MATHEMATICS

- Hands on activities for exploring, developing, testing, discussing, and applying math concepts
- Presentations of math concepts with language, pictures, and movement to meet the needs of all students
- Opportunities for students to solve math problems in many ways which helps students to build more flexible and efficient problem solving strategies
