

## HADDON TOWNSHIP BOARD OF EDUCATION

---

### Broadcast

Dear Haddon Township School District Community,

On behalf of the Haddon Township Education Foundation, I am pleased to share an important opportunity for all of us to support excellence in our schools.

For the past eight years, the Haddon Township Education Foundation, a registered 501 (c) (3) charitable organization, has raised and awarded more than **\$200,000** in grants to our teachers and staff. These grants have enriched classrooms, expanded learning opportunities, and strengthened students' educational experience across our district. The generosity of our community has made this possible.

Today, the Foundation is launching its **Week of Giving**, a focused effort to raise an additional \$10,000 between **Monday, November 17**, and **Friday, November 21**. Every contribution, large or small, directly supports innovative programs and learning experiences for our students in 2026 and beyond. I invite you to join me in contributing to this effort.

A PayPal campaign page is available to make giving easy and to track our daily progress. You may donate by visiting <https://htedfoundation.org/donate-week-of-giving>. Throughout the week, the Foundation will also host a friendly **school-versus-school challenge**. When you make your contribution through PayPal you will see an option labeled "Add a public comment to the campaign page." **If you choose to participate, simply type the name of the school you would like to support.** Totals will be calculated proportionally based on each school's enrollment to ensure fairness. The school whose community contributes the most proportionately will earn a five-hundred-dollar grant to be used directly for its students.

You can further support the Foundation by engaging with and sharing its messages on social media. Please consider following HTEF on Facebook and Instagram and sharing posts with your personal networks. The more people who learn about the Foundation's mission, the more impact we can create for our children (<https://www.facebook.com/htedfoundation/>) and Instagram (<https://www.instagram.com/htedfoundation>)

Thank you in advance for your participation and generosity. Community partnership is the strength of Haddon Township, and your support directly invests in our children's future. -Sincerely,

Robert J. Fisicaro, Ed. D. Superintendent
