Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your dentist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.
