## Dear Wyoming Families,

We had a wonderful start to the week with Foundation Day on Monday. Welcoming Wyoming graduates back into the building to share their experiences is a truly special opportunity for our students. It is inspiring to imagine that one day a student sitting in the audience now will return to share their own journey and impact the next generation. Foundation Day is a cherished tradition at WHS, and we are grateful for the lasting connections and meaningful learning it creates for our students.

Our impactful week continued on Tuesday as we honored our service members, past, present, and future, in recognition of Veterans Day. From the bottom of our hearts, we thank all Veterans for their service to our country and all who continue to serve today. We are deeply grateful for your courage, your sacrifice, and your commitment to protecting our freedoms. We wish you peace, safety, and strength as you continue to inspire and lead future generations.

There are so many wonderful things happening at WHS, and it is inspiring to see our students learning, growing, and embracing new opportunities every day. We are grateful for the continued support and partnership of our families, which makes this progress possible. Thank you for all you do, and we wish everyone a wonderful weekend!

## Our WHS Career Corrals are in need of Wyoming Professionals:

Career Corral is a quarterly event that connects professionals from a variety of careers to a small group of Wyoming High School students. The event is similar to “speed networking” in that students meet with ALL professionals in an intimate setting which leads to more authentic conversations. Our goal is to facilitate connections between our students and professionals in the Wyoming Community. Please complete [THIS FORM](#) if you are interested in speaking at a future Career Corral or would like to connect with students about your work!
