Northern Families,

Here are our processes for weather-related school closings, delays, or early dismissals.

## COMMUNICATIONS

The District will use several communication channels to notify parents, students, and staff as early as possible of unscheduled closings, delays, or early dismissals:

- Blackboard Alert Messaging System – Notification will be sent via automated phone calls and emails
- District Website – Information will be posted as an on-screen alert when you visit the District website at [www.northernpolarbears.com](http://www.northernpolarbears.com)
- Social Media – Information will be shared on the District's X-feed @NorthernYorkSD
- Other – Details will also be reported to local radio and television stations

Notifications for each weather-related event will specify whether extracurricular activities including athletic games and practices will be canceled for the day.

## SCHOOL CLOSING DIRECTIONS

- Due to changes on the 2025-2006 School calendar, all weather closings will be **Remote Learning Days**. School work will be provided by your student's teacher(s).

Each school principal will communicate how instructional delivery will take place on remote learning days and expectations and timelines for work completion. This information will also be posted on the district website.

All the best,

Dr. Matthew Meakin

Superintendent
